As the Great Manufacturing Center of the Pacific Coast

OREGON CITY..

Is Coming to be One of the Best Marketing Towns in the State

The system of macadamized roads that is being built into all parts of Clackamas county, will enable all the people of this county to share in the profitable market that Oregon City affords. If, as it is sure to do, the demands of Oregon City increase in the next five years as it has in the past five years, this city will rank next to Portland as a market place for
