The Marketing Point OF CLACKAMAS COUNTY. The factory towns of the East are noted for affording the best market to the neighboring farmers and gardeners in proportion to the population of any of the towns in that section. The reason for this is that the people of these towns have a fixed income upon which they can always depend, and, as a consequence, they are liberal buyers, paying cash for all their purchases.

As the Great Manufacturing Center of the Pacific Coast. OREGON CITY. Is Coming to be One of the Best Marketing Towns in the State.

THE PRODUCE of the Farmer. This is proven every day by the number of farmers, who are to be seen on its streets selling their produce, who, until just the last few years, sought the markets of other towns. The system of macadamized roads that is being built into all parts of Clackamas county, will enable all the people of this county to share in the profitable market that Oregon City affords. If, as it is sure to do, the demands of Oregon City increase in the next five years as it has in the past five years, this city will rank next to Portland as a market place for THE PRODUCE of the Farmer.
