From Extreme Nervousness. Sarah Bernhardt recently said to a persistent newspaper correspondent: "I have told you everything. There is nothing that remains for me to say. You are as bad as Pierre Loti!" "What on earth has Pierre Loti done to you?" was the answer. "Oh, simply that once upon a time he made up his mind that he was going to make my acquaintance. First he wrote me a letter expressing his admiration for me, and did me the honor of dedicating a book to me. I thanked him, but I did not invite him to call on me." In a Buddhist Nunnery. Sir Charles Gordon's "Recollections of Thirty-nine Years in the Army" contains this anecdote: "In 1860, at Tien-tsin, the two Gordons, when seeking for hospital sites, came across a Buddhist nunnery. Despite the warnings of one of the inmates, who appeared in boy's clothes, they entered the building and found that the inmates all wore male clothing. The Buddhist women were greatly shocked at the intrusion. "Our regret," says Sir Charles, "was real. Explanations were exchanged. We were informed that the community within adopted male costume as an indication that they not only renounced the world, but with it the emblems of their sex. We were 'received' by the lady superior, tea and cakes offered to and partaken of by us. We were then permitted to visit the 'private chapel,' and finally we parted from the religious on the best of terms." "Why should I?" replied the inventor. "You are worrying enough for two." Fond Delusion. Optician—Yes; you see double. I can correct the fault with spectacles. Patient—Hurry! Maybe it isn't twins, after all!—Jewelers' Weekly. The largest gold coin in the world is the British 5 sovereign piece; the smallest is coined in Persia and has a value of only 44 cents. How to Look Good. Good looks are really more than skin deep, depending entirely on a healthy condition of all the vital organs. If the liver is inactive, you have a bilious look; if your stomach is disordered, you have a dyspeptic look; if your kidneys are affected, you have a pinched look. Secure good health, and you will surely have good looks. "Electric Bitters" is a good Alterative and Tonic. Acts directly on the stomach, liver and kidneys, purifies the blood, cures pimples, blotches and boils, and gives a good complexion. Sold at Charman & Co.'s Drug Store. 50 cents per bottle. Spending Money. It is an excellent thing to give children as soon as they arrive at about 12 years, or even before, a little allowance for spending money and an account book. Show them how to keep an account of small expenditures and make it a condition that they do so if they wish to receive their allowance. There is no instruction more necessary to children than instruction in the wise management of money. Children should be taught early what true economy is and to exercise their judgment—not their fancy—in making purchases. A little instruction now, and experience if need be, of the genuine discomforts of extravagance may save them from much suffering in after years.—New York Ledger. In Peking, China, so runneth the tale, a mandarin of wealth and taste presented a luminary of the stage with a pack of cards made of human skin, 400 years old, and originally captured from a pirate of the most blood curdling sort. A Broom FOR THE BLOOD is as necessary as a broom for the house. For in the blood accumulate the germs of disease which, if not swept away, become manifest in boils, blotches, sores, ulcers, eruptions, eczema, tetter, and like diseases, that flay the flesh and scar the skin. AYER'S Sarsaparilla MAKES A CLEAN SWEEP of all diseases that begin in the blood. What other medicines drive in, Ayer's Sarsaparilla drives out. Where other medicines make a surface show of health by cleansing the skin, Ayer's Sarsaparilla lays the foundation of health by cleansing the blood. It is conceded that OF ALL DISEASES the larger portion have their origin in impure blood. Cleanse the blood and you cleanse the skin. Foul blood cannot make a fair body. The shortest way to a sound body, a clear complexion, and a vigorous life, is to purify the blood with Ayer's Sarsaparilla. "I can truly say that Ayer's Sarsaparilla saved my life after doctoring for years for blood poisoning. Not one bit of help in any way, shape, or manner did I receive before, by advice of a friend, I took Ayer's Sarsaparilla. It made me a new man, and completely cured me." HARRY L. BROWN, 21 Hanover St., Manchester, N. H. "Last year I was badly troubled with boils which I could not get rid of, until I procured Ayer's Sarsaparilla. Two bottles relieved me of my tormentors, and they have never made their appearance since." B. B. BRADLEY, Danburgh, Ga. "Five years ago my little boy became blind from the effects of scrofula. Our doctor failed to help him. We began the use of Ayer's Sarsaparilla and two bottles cured him." C. C. GOPETT, Canes, Ky. "After six years' suffering from blood poisoning, I began taking Ayer's Sarsaparilla, and although I have used only three bottles of this great medicine, the sores have nearly all disappeared." A. A. MANNING, Houston, Tex. "I was afflicted with catarrh for a number of years, none of the doctors being able to help me. When almost hopeless of cure, a friend advised me to try Ayer's Sarsaparilla, and after using only three bottles, the cure was effected, and to-day I am perfectly healthy." JOSEPH MURPHY, 173 Mulberry St., Newark, N. J.
