Local Events.

The court house roof has received a new coat of red paint which adds to the appearance very much, and the statue of Justice, which adorns the portico of the same, has been treated to a new white frock. All this is due to the energy of the newly elected republican officials.

Monday evening, as the shades of night were falling over our usual quiet city, the alarm of fire sounded and great excitement prevailed for a short time, the cause of which was a slight blaze on the suspension bridge. The damage was slight, however, as a boy happened to be passing with a can of milk, and throwing its contents on the burning timbers, extinguishing what might have been a disastrous fire.

The report of different supervisors to the county court shows that 31 culverts and three bridges were damaged greatly by steam traction engines passing over them during the summer. These damages were caused by neglect to comply with the law requiring the laying of planks on bridges and culverts while crossing them.

AYER'S Sarsaparilla

is the **BEST SARSAPARILLA.**

"Best" is an easy boast. But there's no best without a test. You expect something extra of best; something extra in bread from best flour; something extra in wear from best cloth; something extra in cures from best medicines. It's that something extra in Ayer's Sarsaparilla that makes Ayer's the best. That something extra is quality. Remember it's quality that cures, not quantity. Geo. Smith of the People's Drug Store, Seymour, Conn., says: "I have sold your goods for twenty-five years and when a customer asks me for

The Best Preparation for the Blood

I say: 'If you will take my opinion, use Ayer's Sarsaparilla; I will guarantee that you will receive more benefit by using one or two bottles of Ayer's than you would by using half a dozen bottles of some other kind.' When they take it, I never hear any complaint."

Ayer's Sarsaparilla cures all diseases that have their origin in impure blood: sores, ulcers, boils, eruptions, pimples, eczema, tetter, scrofula, etc. It cures cheaply, it cures quickly, and it cures to stay. That's why it's best.

"After twenty years' experience as a druggist, I consider Ayer's Sarsaparilla superior to any similar preparation on the market, and I give it the preference over all others." A. C. WOODWARD, Worcester, Mass.

"In our estimation, as regards Sarsaparilla, Ayer's is the standard. We have never heard it spoken of in other than the very highest terms." W. E. TERRILL & CO., Pharmacists, 9 State Street, Montpelier, Vt.

"I consider Ayer's Sarsaparilla the best blood purifier on the market." Dr. GRISE & CO., West Gardner, Mass.

"During fifteen years of experience with Ayer's Sarsaparilla, I have yet to learn of a single case wherein it failed to cure if used according to directions." F. O. COLLINS, Druggist, Paris, Mo.

"I believe Ayer's Sarsaparilla contains more medicinal value than any other similar compound." JAMES DOANE, Dispensing Chemist, Kingsville, Ont.
