

PERSONALS.

J. F. Clark is spending a week in Polk county. William Welch and Albon Meinig, of Sandy were in the city Thursday. R. T. Dibble and wife of Mollala, were visitors in Oregon City Saturday. Mrs. J. A. Heen, of Mullino, was visiting relatives in the city Saturday. Miss Ivy Meats, of Portland, is the new teacher in the Maple Lane school. J. H. Walker and C. G. Huntley were up the valley shooting during the week. Jake Rinearson has returned from a visit to Chicago, and will locate at The Dalles. Miss Stella Welch, of Silverton, was visiting Miss Josie Newton during the week. Mrs. R. C. Ramsby, of Silverton, was visiting her son, Max Ramsby, during the week. Mrs. W. Cary Johnson, son, and nephew are expected home from Seaview Saturday. Mrs. Amos Hinman, of Dufur, is the guest of her aunt, Mrs. M. E. Thomas, at Parkplace. Miss Margurite Wall, who was visiting Mrs. W. H. Godfrey, returned to Portland Monday. Rev. and Mrs. T. F. Royal, of Salem, were visiting their daughter, Mrs. H. Oberg, Tuesday. Mrs. Norman R. Long and infant son, returned Monday from an extended visit to Oakland, Calif. Rev. A. J. Montgomery was attending the meeting of the Willamette Presbytery at Sellwood this week. T. H. Johnson, a prominent merchant of Dufur, Wasco county, is visiting friends in Oregon City. Ira Baker, of Cottage Grove, who was visiting his daughter, Mrs. Susan McKee, returned home Monday. Misses Vinnie Knapp and Hattie Hurlbert, of Portland, were guests of Mrs. K. H. Gabbert Sunday. William Barlow, of Barlow, was in the city Wednesday, and states that he is very busy drying apples. John Noble, who has been in Sherman county for the past two months, returned home a few days ago. Dr. J. H. Miller returned from his visit East last Saturday, and reports business dull as compared with Oregon. Misses Cornelia McCown and Ella E. Williams, who have clerkships in the legislature, returned to Salem Monday morning. Rev. A. J. Montgomery and A. E. Donaldson went to Albany Thursday morning to attend a session of the Presbyterian synod. Dr. J. W. Welch, formerly of this city, intends to locate in South America. So intimate friends state, who recently arrived from Silverton. Ex-Sheriff J. A. Thronson, of Columbia county, Wash., accompanied by his wife and child, are visiting F. W. Fonts and family. Mrs. Thronson is a niece of Mrs. Fonts. H. H. Eyman, the coroner of Sherwood, was a caller at this office Tuesday. Mr. Eyman expects to leave next week for Kansas City where he will visit for about three months. Judge T. A. McBride and family are expected from Astoria about October 15, to occupy their former home here, Register, C. B. Moore having moved into the MacDonald house on Fifth street. Receiver Galloway returned from his Yamhill county farm, where he was looking after his fruit drier. For the past month the drier has been running night and day, and its work is not yet completed. Rev. Gillman Parker, Mrs. O. S. Ohlson, Mr. and Mrs. D. C. Latourette, John Loder, Miss Parker and Rev. M. L. Rugg and wife are among those announced to attend the State Baptist Association at Brownsville next week. Ara McLaughlin, of Milwaukie, one of the 12 volunteer recruits from here who have been stationed at San Francisco for some time past, spent his furlough at home. He left Wednesday night to join his comrades, who expect to sail for Manila Sunday. Bert Greenman, who has been at the Upper Clackamas hatchery for the past two months, returned home Wednesday night, and will resume his old place at the lower hatchery. He states that two and one-half million young salmon have been hatched at the upper hatchery, and the work will continue until Christmas. Dr. William G. Parker now occupies the rooms in the Casfield building on Main street recently vacated by Dr. D. L. Paine, deceased. Dr. Parker comes to us with a complete course of medical training from the State University of Iowa, and locates with the people of Clackamas county, thoroughly prepared to render efficient service to his patrons. His congenial and manly demeanor is seldom surpassed and we join with numerous friends of Oregon City and vicinity in commending the services of Dr. Parker to the favorable consideration of those requiring the attention of a physician.

Local Events.

Dr. J. H. Miller has returned and can be found in his office on Seventh street every day. Misses Marjorie Casfield and Myrtle Buchanan are acting as pupil teachers in the primary department of the Eastham and Barclay schools. There will be services in St. Paul's Episcopal church every Sunday morning until further notice. Rev. Mr. Hammond, of Illinois will conduct services next Sunday. Program of Teachers' Association to be held at Carus, Saturday 29: "History" Chas Tallman; Maxwell's Grammar, "How to Teach It," Shirley Buck; "Methods of Geography," Miss Finley; "Hygiene of the Schoolroom," Miss McDonnell. Jacob Schartz, lately of Stafford, has opened up a harness shop in the building next to Thayer's blacksmith shop on Tenth and Main streets, where he is prepared to do all kinds of first-class work in his line. Give him a call. Several employes of the paper mills have organized themselves into a class, and have secured the services of Prof. T. J. Gary, of the West Side school as teacher. George Hillyard, a pioneer miner and prospector, committed suicide at Mackburg yesterday. He was 69 years old and without means, and evidently ended his career to keep from becoming a pauper. Justice Schubel held an inquest, and the verdict was in accordance with these facts. Mr. J. H. Everest, who directs the Everest orchestra in Portland has been engaged to take charge of the orchestra, that has been organized in the Methodist church. This orchestra will be a strong one, as some of the best players in Oregon City have identified themselves with it, and a nice program has been prepared for both the Sunday school and the evening services on Sunday. A cordial invitation is extended to all to attend. In response to an invitation to the members of the A. Y. L. I. club and their lady friends, from Mrs. M. Harper and Miss Eva Meldrum, about twenty-five young people, chaperoned by Mrs. T. A. Pope and Mrs. Robert A. Miller, spent Wednesday evening at the home of Mr. and Mrs. J. W. Meldrum, at Meldrum. The house was gorgeously decorated with autumn leaves and the time was spent in enjoying various games, until 10:30 when an elegant luncheon was served, after which the merry party left for their homes in Oregon City. The Basket ball game between the Oregon City Y. M. C. A. team and the Dewey's jr., of Portland, at the armory hall Saturday last was especially interesting. The Deweys were several hundred pounds heavier than the home team but found it a stubborn adversary, the game claiming with four points the credit of each team. Throughout the game the best of harmony prevailed. Probably the more commendable work being done by the home team, however both teams deserve commendations for the gentlemanly attitude of each member.

THE GERMAN SPECIALISTS. Of Portland Will be in Oregon City Next Week. The German Specialists, of Portland, will be in Oregon City October 20, 21 22. If you have a Chronic Catarrh, consultation is free of charge. Do you blow mucus from the nose? Are you troubled with bleeding of the nose? Are the nostrils obstructed, making breathing difficult? Are you hoarse at times? Is the mucus dropping down from the back of the nose into the throat? Is your nose stopped up? Is your hearing affected? Is your throat sore at times? Do you spit a good deal when rising in the morning? Do you hem and hawk to clear your throat? Catarrh is a dangerous disease, which leads into consumption. Weak eyes cured; Cross eyes straightened without operation; Cataracts removed without a knife; Glaucoma fitted where all others have failed; Rupture and hernia cured without trusses or operation. Sure cure for kidneys. Chronic rheumatism cured. Do not fail to see the German specialists. A friendly talk will cost you nothing, and is bound to result in a great deal of good to you. They will return monthly.

...dation as a Linguist. A remarkable illustration of the scope of Mr. Gladstone's power as a linguist was given many years ago when he addressed an assembly on the island of Corfu in modern Greek, a little later spoke to an assembly in Florence in Italian, a few days later conversed with ease in German with Bismarck, soon afterward responded in fluent French to a toast at a banquet in Paris, and then crossed the channel to deliver a five hours' speech in parliament on the budget.

"Saved Her Life."

MRS. JOHN WALLER, of Jefferson, Wis., than whom none is more highly esteemed or widely known, writes: "In 1891 I had a severe attack of LaGrippe and at the end of four months, in spite of all physicians, friends and good nursing could do, my lungs heart and nervous system were so completely wrecked, my life was despaired of, my friends giving me up. I could only sleep by the use of opiates. My lungs and heart pained me terribly and my cough was most aggravating. I could not lie in one position but a short time and not on my left side at all. My husband brought me Dr. Miles' Nerve and Heart Cure and I began taking them. When I had taken a half bottle of each I was much better and continuing persistently I took about a dozen bottles and was completely restored to health to the surprise of all." Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address, DR. MILES MEDICAL CO., Elkhart, Ind.

A New Means of Sterilization. One of the simplest and most thorough methods of sterilizing when it can be used is by means of heat. One of the difficulties in the use of this means is that the articles may be spoiled, especially where the heat is long continued. Baking or placing articles in dry heat for any length of time is not only an unreliable method, but attended with the danger of fire if a degree of heat is sufficiently thorough to sterilize them. Boiling or steaming is objectionable because most things would be rendered useless from the contact with moisture. Experiments have proved that hot oil is one of the best sterilizers known, especially for instruments. One of our most eminent surgeons has demonstrated the fact that the most complete sterilizing follows the dipping of surgical instruments into boiling olive oil. One may determine the temperature of the oil by a very simple process of dropping bread crumbs into the oil. When they turn brown and crisp, the oil is hot enough for the surgeon's use. This is much more convenient than using the thermometer, which may not always be at hand. The oil may be heated over a spirit lamp, and a few spoonfuls will be sufficient for sterilizing the instruments used in some of the more simple operations.—Exchange.

Braised the Sale. A young lady from the city was trying her hand as an amateur saleswoman in a plantation store one morning last week when an old colored woman, gorgeously arrayed in her Sunday clothes, entered the store and, pointing to a bottle of German cologne on one of the highest shelves, asked: "What dat?" "That's cologne, auntie." "Well, I'll take it." Delighted at having made a sale in such a short time the young lady busied herself in getting down the bottle and dusting it for the customer's inspection, at the same time commenting upon its excellencies with the volubility of an experienced auctioneer. "I believe, auntie," she continued, "that this is the finest perfume ever manufactured!" She was brought to a sudden pause, for the old negress had thrown up both hands in horrified protest. "Stop right dar! Youse done gib yourself away. Fust you said cologne, but now you done let out dat it's puffume, an I don't want it, for puffume nebber holds its scent. I wanted cologne."—New Orleans Times-Democrat.

M., Pres. Salem, Oregon.

Ayer's Pills are PERFECT PILLS so far as perfection can be attained. They mark the highest point in pill progress. To many people, any pill is a fit pill, and so long as it acts they don't consider whether there's any recoil in the action. Dynamite has a very moving effect, and so has an earthquake, but the consequences that follow are apt to be disastrous. There are pills as damaging as dynamite and as dangerous as an earthquake. Dr. Ayer's Pills are Perfect in Preparation, Perfect in Operation, and their use is not followed by violent reaction. A grain of sand stops a watch. You don't use blasting powder to eject the grain and start the mechanism going again. The machinery of the body is more fearfully and wonderfully made than a watch, and needs even greater delicacy in dealing with it. Ayer's Pills give just the necessary stimulus to start the bowels into healthy action. They correct the ill-conditioned liver and give a healthy tone to the stomach. Thus they cure dyspepsia, sick headache, heartburn, constipation, piles, and all diseases that grow out of the disordered condition of the liver, stomach, or bowels. "Ayer's Pills are the best cathartic I ever used in my practice." J. T. SPARKS, M. D., Yeddo, Ind. "I don't know of anything that will so quickly relieve and cure the terrible suffering of dyspepsia as Ayer's Pills." JOHN C. PRITCHARD, Brodie, Warren Co., N. C. "Ayer's Pills do their work efficiently and do not gripe nor make one sick like so many other pills." JOHN M. SMITH, Atlanta, Ga. "Although mild in action and less liable to gripe than other purgatives, Ayer's Pills are thorough in operation and can always be relied on to cure diseases of the stomach or bowels." PETER J. DUFFY, Rockport, Tex. "After twenty years' experience, I know that Ayer's Pills are an absolute cure for tertian ague, bilious fever, sick headache, flux, dyspepsia, constipation and hard colds." J. O. WILSON, Contractor and Builder, Sulphur Springs, Texas. "We always used Ayer's Pills in my father's family. I am now fifty-five years old and always have them in the house because I have found no better pill than Ayer's." MARY JACOBUS, 711 E. Chestnut St., Mt. Vernon, Ohio.
