**CUBAN SITUATION.**  
The Republicans Will Control Both  
Houses, the Senate by Twenty Ma-  
jority, the House Close, Cali-  
fornia and Washington Elect  
Straight Tickets.

PORTLAND, Nov. 9.—The republican  
party will still control the 56th congress.  
Incomplete returns of yesterday's elec-  
tions indicate that 157 republicans and  
143 democrats have certainly been  
elected members of the lower house of  
congress. Out of this total, 300 mem-  
bers from the same districts two years  
ago 189 republicans were elected and 111  
democrats.

The Ohio congressional delegation re-  
mains unchanged, but the republicans  
have elected their state ticket by about  
50,000 plurality. The Indiana election  
is still in doubt. Connecticut elects the  
republican ticket by nearly 20,000, and  
its delegation is unchanged. In Illinois  
the democrats have gained five, and  
probably six congressmen. The republic-  
an state ticket is elected by 30,000  
plurality. In Massachusetts, the republi-  
cans elected their state ticket, but  
lost two or three of their congressional  
districts. Nebraska reports a republic-  
an landslide, electing Hayward govern-  
or and a legislature that will choose  
a successor to Senator Allen. Four re-  
publican and two democratic congress-  
men are elected in Maryland. Governor  
Pingree, of Michigan, will serve another  
term, receiving from 50,000 to 60,000  
majority. Delaware republicans elect  
their state, congressional and legislative  
tickets. Colorado reports a fusion vic-  
tory, and Wyoming is in doubt. In  
North Carolina, two republicans out of  
nine congressmen are chosen. Indiana's  
returns are yet far from complete. Ten-  
nessee elects two republican and seven  
democratic congressmen, and one is  
doubtful. In Kentucky the republicans  
are sure of only one district, and another  
is uncertain. Voorhees, republican, is  
elected governor of New Jersey by about  
12,000, and six of the eight congressmen  
will be republican. In California, Gage,  
republican, is elected governor over  
Maguire, democrat, by not less than  
5000 plurality. Campbell, democratic,  
will be the new congressman for Mon-  
tana, and Thomas, Mormon democrat,  
from Utah. The elections in the South,  
as usual, went democratic. Pennsyl-  
vania elects W. A. Stone, governor by a  
large plurality.

**THE CAPITOL EXPLOSION.**  
Damage Not So Great as Was at First  
Expected.

WASHINGTON, Nov. 7.—Architect Wood  
today expressed the opinion that the  
damage to the capitol building could be  
repaired for \$20,000.

"It is by no means so serious as I  
first thought it was," said Mr. Wood.  
Mr. Wood believes the explosion was  
caused by gas. Other architects who  
have inspected the scene of the cata-  
strophe also attribute it to an explosion  
of gas. Some express the opinion that  
a broken main and a burning jet are  
responsible for the occurrence.

The work of removing the rubbish  
caused by the explosion has been pro-  
ceeding rapidly all day, 75 to 100 men  
being employed for this purpose. As  
soon as the refuse is sufficiently cleared  
out, the work of repairing the damage  
will begin. Mr. Wood thinks that the  
supreme courtroom will be ready for  
occupancy within two weeks.

The only damage that cannot be made  
good was done in the Eleroom of the  
supreme court in the basement. There  
were stored all the official records and  
original copies of opinions, from the  
foundation of the government. Compar-  
atively few of the papers were absolutely  
destroyed, but those which suffered this  
fate were among the most valuable in  
the room. They included original  
opinions of the court in the early days of  
the republic, and among them were  
many manuscripts prepared in the days  
of Washington, Jefferson and Adams.

**PREPARING FOR WAR.**  
British Cruisers to Break a French  
Cable, When Necessary.

St. JOHN'S N. F., Nov. 7.—The Brit-  
ish government telegraphed the colonial  
minister today announcing the number  
and tonnage and capacity of steamers  
available at this port to convey coal from  
Sydney for the use of British warships.  
The cruisers Cordelia and Pelican will  
be held at Sydney to capture St. Pierre  
and protect St. John's in the event of  
war being declared. The cruisers are  
also instructed to break the French  
cable between St. Pierre and Brest,  
France.

**AN INFAMOUS PLOT.**  
Organization to Overthrow Civil Power  
and Assassinate Citizens.

LONDON, Nov. 8.—The Daily Chronicle  
this morning says:  
"We have received information from  
a reliable source of a well-organized plot  
in Paris, in the event of an inquiry be-  
fore the court of cassation proving  
favorable to Dreyfus, to foment a riotous  
outburst in the French capital, to at-  
tempt to overthrow the civil power, and  
to assassinate the leading champions of  
Dreyfus.

"These reports are confirmed by inter-  
views had with M. Trarieux, former  
ministers of justice, and M. de Fres-  
sonno, foreign editor of the Temps, as  
well as others."

**CUBAN SITUATION.**  
Cuban Soldiers not to be Abandoned  
by Gomez.

WASHINGTON, Nov. 6.—Following is an  
extract from a letter received by Senor  
Quesada from General Gomez, written  
October 20:  
"I have full confidence in the solemn  
promises made by the congress of Wash-  
ington and for that reason I do not have  
any fear as to the independence of Cuba.  
Some time must elapse before our ideal  
will be realized; but after so many  
struggles and privations we can wait a  
little longer. The military occupation  
by the United States is to a certain ex-  
tent necessary, to prepare and hurry the  
evacuation of the Spanish and bring  
about harmony among the different fac-  
tions in Cuban politics. During this  
military occupation, the republican gov-  
ernment will be organized. Its decisions  
will be finally accepted by all: order will  
retain everywhere.

"Those who speak of annexation try  
to satisfy, above all, their spite, propa-  
gating unfounded fears as to personal  
security and private property. The final  
success of our struggle has required  
necessary destruction of property which  
the enemy used to its advantage, but we  
have never attacked individuals.

"The struggle against Spain is now  
ended; we commence now a more deli-  
cate and difficult task, namely, to make  
our republican political system triumph,  
to reconstruct the country. It is not an  
easy labor, and all men who loved their  
country should contribute to it; for that  
reason, I cannot retire now, notwith-  
standing my 61 years. Most of the offi-  
cers and soldiers went into the field  
obeying my orders; I cannot abandon  
them until their future is assured.  
They have lost everything they had,  
they have a right to some compensation,  
and above all, to their salaries; the  
new government must secure them.  
Their abandonment cannot occur until  
the Spaniards have evacuated; my men  
cannot be abandoned, without bread or  
work, to the mercy of their enemies. A  
solution could be found, perhaps in the  
plan which the American government is  
said to have of creating a native civil  
guard formed in the majority of Cuban  
soldiers. This organization will be of  
great advantage in not exposing the  
American troops to the deadly climate  
of the island, and at the same time the  
United States would have people who  
knew the country thoroughly. In the  
meantime, and until evacuation occurs,  
food must be provided for my soldiers.

"The evacuation should be as rapid as  
possible, and afterwards everything will  
be arranged, for the American govern-  
ment will fulfill its moral pledges to us.  
Some people have tried to make us sus-  
picious, so as to bring about trouble, but  
before doubt of the faith of the Ameri-  
can people we must wait for acts which  
shall give the lie to their solemn pledge."

**LEGISLATURE IS REPUBLICAN.**  
Returns received up to 2:30 a. m. by  
the Ledger from Pierce, King, Whitman,  
Spokane and Walla Walla counties show  
republican gains of 6850 over their vote  
of two years ago

**LEGISLATURE IS REPUBLICAN.**  
SEATTLE, Nov. 8.—The Post-Intelli-  
gencer claims that the republican state  
ticket is elected by at least 2000 majority,  
and that the legislature will be republi-  
can joint ballot, insuring the election of  
a republican United States senator.

**CALIFORNIA.**  
Gage, Republican, Elected Governor  
Over McGuire.

SAN FRANCISCO, Nov. 9.—The election  
of Gage, republican, for governor over  
Maguire, fusion, is conceded, the only  
uncertainty being regarding the size of  
his plurality, which is estimated at from  
5000 to 20,000. Republican National  
Committeeman John D. Spreckels claims  
the election of six out of the seven Cali-  
fornia congressmen. The democrats  
claim three, and perhaps four.

A total of 15,532 votes counted in San  
Francisco at 10:30 p. m., gives Gage,  
rep. 9540; Maguire, fus. 7992.

Complete returns from 79 precincts in  
California outside of San Francisco, gave  
Gage, rep. 1898; Maguire, 1774. The  
same precincts in 1896 gave McKinley  
1956, Bryan 1902.

Complete returns from the 28th leg-  
islative district give Gage, rep. for gov-  
nor, 185; Maguire, dem. 194. Returns  
from precincts in Fresno and San Diego  
counties indicate that the Maguire vote  
is less than that cast for Bryan. Re-  
turns received from scattering precincts  
in Stanislaus and Monterey counties, in-  
dicate that Gage, rep. for governor, is  
polling a larger proportionate vote than  
that cast for McKinley.

At 9:30 the republican state central  
committee claimed that Gage has been  
elected governor by 30,000 plurality.

The managing editors of the San Fran-  
cisco morning papers expressed their  
views as to the outcome of the election  
in this state to an Associated Press rep-  
resentative late tonight as follows:

Chronicle (republican): The republi-  
cans will carry the state by 30,000, and  
will have a plurality of 3000 in this city.  
They will also elect six congressmen.

Examiner (democratic): "We con-  
cede the election of Gage for governor."

Call (republican): "Gage will be  
elected by a majority of 8000 to 10,000,  
and the republicans will seat six con-  
gressmen."

The managing editor of the Evening  
Post (independent) estimates Gage's ma-  
jority at 15,000, and thinks the entire  
congressional ticket has been elected  
by the republicans, with the exception  
of perhaps Ryan in the second district,  
and that the legislature will be republi-  
can.

At fusion headquarters at midnight, it  
was conceded that Gage had won the  
fight for the governorship.

**NEW YORK, Nov. 9.**—Theodore Roose-  
velt, republican, late colonel of the First  
United States volunteer cavalry, has  
been elected governor of this state by a  
plurality anywhere from 18,000 to 20,000.  
All of Colonel Roosevelt's associates  
on the republican state ticket are prob-  
ably elected with him.

Enough returns from assembly dis-  
tricts have been received to show the  
probable election of 80 republicans and  
61 democrats, with 9 doubtful or not  
heard from. Conceding all the latter to  
democrats, the republicans will still have  
a majority of 10 in the assembly, and 14  
on joint ballot. A republican legislature  
means the elect of a republican United  
States senator in place of Senator  
Murphy.

**REPUBLICAN MAJORITY 3500.**  
A Great Reversal of Opinion East of the  
Mountains.

TACOMA, Nov. 9.—Returns received by  
the Ledger from all over the state indi-  
cate a great republican landslide. The  
populist counties east of the mountains  
have turned completely over. The indi-  
cation at 1 o'clock this morning are that  
F. W. Cushman and W. L. Jones, republi-  
cans are elected to congress by at least  
2500 plurality, as against about 12,000  
fusion plurality for Lewis and W. C.  
Jones two years ago. The legislature  
will be republican, and will elect a re-  
publican senator to succeed Senator  
Wilson.

Returns received up to 2:30 a. m. by  
the Ledger from Pierce, King, Whitman,  
Spokane and Walla Walla counties show  
republican gains of 6850 over their vote  
of two years ago
