

TEACHERS' ASSOCIATION.

Regular Monthly Meeting Held at Mt. Pleasant Last Saturday.

The meeting was called to order at the usual hour by the vice president, T. J. Gary. The minutes of the previous meeting, prepared by the secretary, Fannie G. Porter, were read and approved.

The semi-annual election of officers was held with the following results: Vice-president, T. J. Gary; secretary, Fannie G. Porter; treasurer, Estella Salisbury; editor, Bertha M. Gibson.

The program was opened by singing "America." J. W. Gray, of Parkside made a very instructive talk on "Pronouns." After speaking of the meaning and use of pronouns, and defining the different classes of this part of speech, he emphasized the need of thoroughly understanding "de-clension" and closed with a practical illustration of his manner of conducting a recitation.

Miss Sade Chase, of Canemah school gave an interesting talk on "How to Teach Geography." She tries to make the pupils realize that they are studying about real people, real cities and real countries, not "black dots" or colored lines. Teach them of different climates, and our relation to other countries and their inhabitants. It is well to have children draw maps entirely from memory, as it does more to fix the outlines of continents in their minds than dozens of copies would.

Messrs. Rutherford, Buck, Hyatt, Stahlacker, Strange, Byland and Stambrough, took part in the discussion which followed.

At this time Miss Kate Casto invited the teachers to partake of an excellent dinner which had been prepared for them.

Afternoon Session.

Called to order at 1:30 by the vice-president, T. J. Gary. Miss Mae Case favored the Association with a guitar solo and was given an enthusiastic encore.

"Co-ordination of Studies" was the subject of an excellent talk by T. J. Gary of West Oregon City. Two distinct ideas should be brought into relation, whenever possible; for instance, geography and history should be taught at the same time. The different parts of arithmetic should be brought into relation—fractions should be taught along with primary work.

There is a close relation between the school room and the school grounds, and whenever possible, the teacher should be present while the pupils are playing, as at such times the inner nature comes to the surface. It is not possible to do the best work for the future, while the state of the pupil is as a sealed book to his teacher. Messrs. Stahlacker, H. S. Gibson, E. M. Ward, C. Rutherford and L. L. Moore participated in the discussion which followed.

Miss Mae Case again delighted the audience with another guitar solo.

O. H. Byland, of Carus, made an interesting talk on "Civics in Schools." We are all agreed that civics should be taught, but sometimes undecided as to the best means of teaching the same.

Many people are disappointed and discouraged by the fact of immorality and dishonesty prevailing among people who are expected to do better. As the twig is bent, the tree is inclined. We should endeavor to teach the principles of good government. A copy of the golden rule should hang in every school room. Self-government is the essence of good government. J. C. Zinser, of this city spoke on this subject relating some incidents that he had read of the method of self-government as practiced by some of the Chicago schools. Messrs. E. M. Ward, M. Hyatt, A. C. Strange, and Mr. McDonald, also spoke on this subject.

A resolution of thanks to the good people of Mt. Pleasant for their kind treatment of the Association, was passed unanimously. A resolution providing that the superintendent, vice-president and secretary constitute a permanent committee on program, was also passed. It was decided to hold the next meeting at Willamette Falls district, and M. Hyatt, Miss Demers and A. C. Strange were asked to prepare a program for that occasion.

J. W. Gray, secretary of the Willamette Valley Chautauqua Association, made several announcements relative to the July Assembly. Rev. Sam Jones, whose fame has spread over two continents, will lecture on the 18th and 19th of July; J. DeWitt Miller lectures July 20, 21; Rev. Coburn, July 21, 22, 23; Frank Baird, July 24, 25. The management spare neither trouble nor expense to make the Assembly what it has been, and will continue to be, a continuous "feast of reason and flow of soul." Every teacher in Oregon should attend each lecture given at Chautauqua.

The meeting at Mt. Pleasant was well attended, and seldom has the Association been favored with a more attentive and appreciative audience.

The illness of Prof. Strange is greatly regretted by the teachers, as his earnest interest in the educational association is constantly missed. On motion, Association adjourned to meet again at Willamette Falls, the last Saturday in February.

Money to loan at lowest rates. HEDGER & GRIFFITH.

BASKET BALL.

Oregon City Y. M. C. A. Boys Defeat the Salem Team.

An intensely interesting game of basket ball was witnessed by a large and enthusiastic number of spectators in the gymnasium of the local Y. M. C. A. rooms last night. A team from the Oregon City Y. M. C. A. worsted the team of the local association by a score of 7 to 5.

The make up of the two teams was as follows:

Table with 3 columns: Oregon City, Position, Salem. Rows include Montgomery (Center Moir), Case (capt.) (Goal tosser Race), Williams (Forward Bruce), Humphreys (Guard Carlisle), Peters (Guard Zaenker), Young (Substitute Cox).

Umpires—A. L. Scott and Levi Yoder, both of Oregon City.

Referee—Roscoe Shelton, of this city.

The game was very interesting and the teams were very evenly matched, as the score would indicate. The Oregon City boys played a good, clean and scientific game, and are not accustomed to the lively and somewhat boisterous manner in which the game is played by the Salem boys.

The local team will go to Oregon City in two weeks when a return game will be played. The Oregon City team now claims to be the champion of the state, having defeated the Portland team a number of times.

The members of the visiting team accompanied by J. L. Mead, general secretary of the Oregon City Association, Milton Price (coach), and I. Reddaway reached the city on the steamer Ruth during the afternoon. They are a representative company of young men and a well-behaved lot of gentlemen. They expect to return home Tuesday—Sunday Statesman.

Champions of the State.

The Oregon City Y. M. C. A. basket ball team defeating the team from Willamette University yesterday by a score of 6 to 4 proved themselves entitled to the state championship.

The game, which was intensely exciting from start to finish, was played by the University gymnasium, and was witnessed by a large and enthusiastic gathering of collegians. Whenever a brilliant play was made by members of the home team, the spectators seemed unable to contain themselves, and with deafening yells urged their favorites on to what they hoped would prove a victory, in which event the home team would have become champions of the state. The visiting team, however, had a number of supporters among the interested spectators who never failed to reward a creditable play to the Oregon City boys, by a series of yells.

The visiting team put up a splendid game. To a great extent the secret of the success of the Oregon City team lies in the celerity with which it carries out each successive play. They are undoubtedly the champions of the state. The average weight of the team is 135 pounds, and the average age 17 years.—Tuesday's Statesman.

Y. M. C. A. NOTES.

In compliance with orders to vacate our rooms, the Y. M. C. A. is fitting up the room next door North for temporary use. The baths will be in running order by the latter part of the week.

Twenty stars from Portland will give a popular exhibition at Shively's hall Saturday night this week. This entertainment is given under the auspices and for the exclusive benefit of the Y. M. C. A. and the prices of 25c and 35c admission have been arranged so that all may give us their presence and also receive full value for their money.

The Sunday 4 p. m. meetings will be held as usual in the new rooms.

The boys are manfully sustaining themselves under the pressure of the recent Salem victories over both the Y. M. C. A. and Salem University boys.

Beecher on Advertising Doctors.

San Francisco Chronicle. "I am glad that the doctor cured him; I am glad that the doctor put it into the paper that he could cure him. And if any doctor is certain he can cure such diseases and don't put it into the paper, I am sorry. What a pity it would have been, had this doctor come to town with his wealth of science and experience and gone away leaving him uncured! What a pity it would have been if he had been so prejudiced against advertising as to read the responsible certificates of the doctor and gave him the go-by as a quack! What are newspapers for, if not to circulate information? What more valuable information can a newspaper give than to tell a sick man where he can be cured? If a man has devoted his life and labor to the study of a special class of diseases, the necessity of his saying so becomes all the more pressing. His duty to advertise becomes imperative. A really able man, whatever be his gifts, makes a great mistake if he fails to use those gifts through want of advertising."

The above extract from an article by the Rev. Mr. Beecher embodies a sound view of the subject of advertising. Suppose Dr. Darrin had come to the city and not advertised, who would know of his presence? Who would know of the following almost miraculous cure he

performed in 1872, had not Mr. Dibble put it in the paper?

Mr. Editor: In 1872 my daughter was taken with the membranous croup, and upon her recovery was left totally deaf. I called on two eminent physicians, who said they could do nothing for her. As a last resort, I took her to Dr. Darrin, who cured her, and she has never been troubled with deafness since. I consider it one of the greatest cures of magnetic treatment on record, and with great satisfaction give this testimonial in Berkeley, Alameda county, Cal., and will take great pleasure in answering any inquiries concerning this most remarkable cure.

Yours respectfully, WILLIAM S. DIBBLE.

Married.

HARRINGTON-WALKER—Mr. Ernest E. Harrington and Miss Bird Walker, the foster daughter of Dr. and Mrs. J. W. Norris, were united in marriage at the residence of Mr. and Mrs. D. D. Shuler, 1690 Fell street, San Francisco, on Wednesday evening, January 25. The parlor was very prettily decorated for the occasion with palms and smilax, intermingled with yellow chrysanthemums, and the bridal party stood under a canopy of flowers while the solemn words which pronounced them man and wife were spoken by Rev. Frank I. Wheat, of Park Congregational church. The young couple was attended by Mr. Alfred Turkington as best man, and Miss Coral Brown as maid of honor, who carried the white satin pillow upon which rested the ring used in the ceremony.

After congratulations were extended, the guests entered the dining room where a dainty luncheon was served. The table decorations were very handsome, red being the prevailing color.

The bride, who is well and favorably known in Oregon City, looked very pretty in her traveling gown of bluish-gray. After luncheon the happy couple left for their future home in San Jose, where the groom has the position of superintendent of finishing in the San Jose woolen mills. Several congratulatory telegrams from well-wishing friends were received and read during the evening.

Died.

JOSE—Anna, wife of Fred Jose, died at her home at Mt. Pleasant, on Friday, January 27th, 1899, aged 29 years and 4 months.

FUNERAL SERVICES were held Monday, from the residence, Rev. Ingelbach, officiating. Interment in Beaver Creek cemetery.

HUIRASS—The infant son of M. Huirass and wife died at their home near New Era, Sunday, January 29th, aged 1 year and 9 months.

COMER—At his home in this city, February 2nd, 1899, Luke Comer, aged 76 years.

Mr. Comer was born in Ireland, and came to this country in his early youth. He came to Oregon City from California about 40 years ago and was a well known and respected citizen. He will be buried in the Oregon City cemetery beside his wife, who preceded him about five years. Funeral took place at 10 o'clock, A. M., today from St. John's Catholic church, Rev. A. Hillebrand, officiating.

Dangers of the Grip.

The greatest danger from La Grippe is of its resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for the grippe we have yet to learn of a single case having resulted in pneumonia which shows conclusively that this remedy is a certain preventive of that dangerous disease. It will cure the grippe in less time than any other treatment. It is pleasant and safe to take. For sale by Geo. A. Harding.

Ribbons, laces, embroideries, hosiery and notions of all kinds at the Racket Store.

FACIAL PARALYSIS.

Mr. Crosthwaite's Experience, and How He Was Cured.

Dr. Darrin, 295 Morrison street—Dear Sir: In an answer to your communication asking me to make a statement of my case, I most willingly do so, if by so doing any one afflicted as I was might have their attention called to the success with which you treated me. As you know, I consulted you regarding a very serious case of facial paralysis, the entire side of the face being completely paralyzed. I could not shut the eye, having no control over the lid; the lower lid was drooped down, and the whole side of the face badly drawn down. Any one can imagine the condition of a person's mind under such circumstances. I had almost given up all hopes of ever being myself again, until I consulted you, and you assured me that you could cure me. I commenced treatment at once, and commenced to improve from the start, and in three or four weeks' treatment found myself entirely cured. I make this statement willingly, that any one suffering as I have may avail themselves of your great skill.

W. T. CROSTHWAITE, 246 Washington Street, Portland.

Soldiers' Monument.

A movement has been started to erect a monument to the brave Oregon boys who have given up their lives in the service of their country for the furtherance of freedom. The fund to be raised is to be made up of 6000 donations of 25 cents each. The state is divided into districts with H. L. Kelly as committee-man for Clackamas county. Mr. Kelly has appointed the following as his deputies:

- New Era, J. C. Newboy. Canby, J. F. Devos. Marquam, P. J. Ridings. Molalla, Willard Robbins. Needy, B. F. Smith. Springfield, W. J. Lewelling. Nandy, John Kennebec. Eagle Creek, C. B. Smith. Carus, R. M. Casper. Millwaukie, Miss Rose Scott. Clackamas, A. Mather. Damascus, J. C. Elliott. Wilsonville, H. Miley. Oswego, Geo. Prosser. Clarks, Henry KleinSmith. Oregon City, Mrs. Henry Meldrum.

It is proposed to have the monument erected at once so that the volunteers may assist in the dedicatory services on their return from Manila.

HOW IS YOUR WIFE?

Has she lost her beauty? If so, Constipation, Indigestion, Sick Headache are the principal causes. Karl's Clover Root Tea has cured these ills for half a century. Price 25 cts. and 50 cts. Money refunded if results are not satisfactory. C. G. Huntley, Druggist.
