Advertising rates given on application.

Entered at the postoffice in Oregon City, Or., as second class matter.

AGENTS FOR THE ENTERPRISE.

Beaver Creek, Dr. T. B. Thomas
Cannonville, Geo. Knight
Carroll, A. Mather

The way to build up Oregon City is to give Oregon City people your patronage.

ENGLAND is going to try a protection measure in India.

THE OREGON is at Manila and she will duly impress the foreigners.

WE wish to say to our friend in the church that the Enterprise does not owe a dollar.

THE PRESS says the republican party is in the mire and attacks the last session of the legislature.

THE WAR with Spain is now closed by the queen regent signing the treaty of peace.

THE COURIER-HERALD is falling in line with the democratic machine in the east and trying to guess a platform for the next presidential campaign.

IT is a little strange that the old members of the county court should be so anxious to get bids for the printing when a few days before asking for the bids, something like \$300 of printing was let out.

JOSEPH MEDILL, the noted editor of the Chicago Tribune died at San Antonio, Texas, on the 16th of this month.

THE SENATE of the United States does many things that the people do not approve.

AS to what we did in the senate we are willing the people shall judge but we did one thing to you, and that was, prevented you from keeping on robbing the people on the printing for the county.

THE POPULISTS of this county are dropping the Courier-Herald as fast as their subscription expires to the old Herald.

Would not begin to trade with you notwithstanding your consolidation. People who are posted know this and you cannot fool advertisers or the populists by such chaff.

The Courier-Herald in speaking of the republican platform of 1896 uses the following language:

"But it said nothing about sending soldiers to a far-off country and brutally murdering a foreign people whose only crime is that they want their liberty."

We will confess that the republicans could not look two years into the future and see the Spanish war and that Dewey would take Manila and this government would free the Philippines from the Spanish yoke.

Friday March 17. The American troops capture the fortified town of Cainta.

Six men die in a blizzard on a glacier, Copper river, Alaska.

Sherman is better and the cruiser, Chicago is ordered to bring him home from Zamala.

"Old Hutch" a noted wheat speculator of Chicago, is dead.

Sweden and Norway are almost on the verge of a rupture.

A political fight at Hot Springs results in the killing of five men.

The breach between Gomez and the Cuban assembly is widening.

Saturday March 18. The Windsor hotel, New York burns with the loss of many lives.

Otis predicts the early collapse of the rebellion at Manila.

The queen regent signs the treaty of peace and the trouble between Spain and the United States is at an end.

Princess Kalulani dies at Honolulu.

The non-compulsory pilot law is in force and vessels are taken up and down the Columbia without state pilot.

Sunday March 19. Two companies of Second Oregon were in the fight yesterday at Manila.

California legislature fails to elect a senator.

At least sixteen lose their lives in the New York hotel fire.

A storm in the south does great damage and many lives are lost.

THE NEWS OF THE WEEK

work for a reasonable price and now that saintly paper says it is saving the county \$3000 a year.

In Japan most of the horses are shod with straw. Even the clumsiest of cart horses wear straw shoes.

Lauder's Retort at School. One day in full school Master Laudor had an apple of singular size and beauty.

Chinese Back Scratcher. No Chinese home is without a back scratcher, while many there be in otherwise happy American households who do not know its joys.

For Bed and Board. It is said that when John Jacob Astor was once congratulated for his wealth he replied by pointing to the bonds and maps of property, at the same time inquiring, "Would you like to manage these matters for your bed and board?"

Pretty Girls, These! "The Houtzdale (Penn.) Journal says: 'The [?] of the Houtzdale girls are slender and delicately tinted, their [?] are like [?], and they are without - in this or any other [?]. Their frowns are like [?], and their [?] excite [?] of pleasure and a desire to m - them. Read this [?] closely, and do not [?] its veracity.'

"Knowledge is power." There is one kind of knowledge that is power and prestige in the hands of a woman. It is the knowledge of her own nature, her own physical make-up and the home treatment of diseases peculiar to her sex.

For Bed and Board. It is said that when John Jacob Astor was once congratulated for his wealth he replied by pointing to the bonds and maps of property, at the same time inquiring, "Would you like to manage these matters for your bed and board?"
