ACTIVE SOLICITORS WANTED everywhere for "The Story of the Philippines" by Murat Halstead, commissioned by the Government as Official Historian to the War Department. The book as written in army camps at San Fran-cisco, on the Pacific with General Merritt, in the hospitals at Honolulu, in Hong Kong, in the American trenches at Manila, in the insurgent camps with Aguinaldo, on the deck of the Olympia with Dewey, and in the roar of battle at the fall of Manila. Bonanza for agents. Brimful of original pictures taken by government photographers on the apot. Large book. Low prices. Big profits. Freight paid. Credit

Easy Way '(3 Ba Generous.

In the Baptist church of a New Eng land village was an old man who had all the Christian graces save one, and that one was the grace of liberality He would do anything in the world for the cause of religion but give up his money At the close of the financial year 1869 the church found itself \$400 in debt. A church meeting was called. and it was voted to circulate a subscription paper on the spot and endeavor to thus raise the sum needed. This was done, and the old gentleman did not put his name on the paper. The result was rather disheartening. \$200 only having been pledged. Silence reigned for a moment, when one of the most generous men in the church moved that "we double our subscriptions." Instantly the old gentleman was on his feet, and with extraordinary fervor cried, "I second the motion. He evidently felt that he was thus

doing his part in hastening a most desirable result. - Harper's Round Table.

What Love Is.

Miss Sophie Loury employs an exceedingly communicative old colored man to attend to odd jobs about her studio now and then, and his sayings have become proverbial among Miss Loury's familiars. He came to work one day not long ago very full of the goings on of a young man he knew. who was in love.

"But what is love, uncle?" asked Miss Loury

Uncle wagged his head wisely. "Miss Sophie," he said solemnly. "love is dizziness, unizziness and in-

attention to business. And really I don t know of any definition more conclus, complete and altogether adequate than that -Washington Post

Study It Out.

Here is a highly interesting paradox. which may amuse or bewilder, as the case may be. It is supposed to have been invented by Socrates A. says that all Athenians are liars. A. is an Athenian and therefore a liar Therefore his statement that all Athenians are liars is not true, and consequently all Athenians tell the truth A is an Athenian. and hence tells the truth. Wherefore his statement that all Athenians are liars is true. Therefore he is a liar and his statement false, and so on.

Force of Waves.
