was celebrated throughout the civilized jection by the railroads. world. A better sovereign has never reigned.

THE Second Oregon has been sent to Manila preparatory to coming home. We hope to be able to say next week that they have sailed from Manila.

It is now believed that the gold production will reach \$340,000,000 for 1899. Even Peffer is for the gold standard, but the Courier-Herald must have 16 to 1.

nations, the conference can be considered a succes. It would be an advance commensurate with those made in the commercial and scientific worlds.

THE republican caucus committee appointed to frame a scheme of currency reform have agreed on a measure that will call for all obligations of the government to be redeemed in gold. Greenbacks when once redeemed are only to be re-issued for gold. National banks to use notes to the value of their deposit in the treasury and allowing banks to

organize on a capital of \$26,000. It is believed that this will prevent a run on the treasury for gold and that the banks Cuban settlement. will furnish a larger proportion of the maper money than in the past. The currency will be more elastic and a supply can be furnished when the demand comes, without aid from the gov-

ernment.

THE commission on the Nicaraguan canal have come to an agreement and made their report although it is not made public as yet. It is understood that they report the project entirely feasible, fixing the cost at \$125,000, 000. The Luli route is recommended as the better one and the canal is to be built on larger plans, so that the largest ship can use it. With this report and the investigation that may be made by the commission provided for by the last The way to build up Oregon City congress it is hoped the last obstacle is

wife has a trankful up in our room. The Chicago man did not say much, but that evening, by arrangement with the head waiter, Davis was placed at supper alone at a table where there were several vacant chairs. Presently reveral men, all commercial travelers, entered the dining room, and each one had a large cut giass fruit dish fastened on his breast while glass prisms hung pendent from each cost and vest button. Soberly marching to Davis' table, the seven men took the vacant seats, and the Chicago man entertained the actor with. "Ab. I see you admire our diamonds This one"-pointing to the fruit dish-"cost me \$3,000,000 These"-indicating the prisms -- "cost \$250,000 each, and we have three carloads like them at the depot waiting to beside tracked." Davis not only changed his table, but went to another hotel.

He Was Clean,

-Louisville Courier Journal.

The advantage of a trained nurse is that she knows not only what to do. but what not to do, since unnecessary attentions merely exhaust the patient. The point is illustrated by the following story from an old Cape newspaper of the time of the Zuju war, when kindly but uninstructed ladies rushed off in embarrassing numbers to give their services at the military hospitals. "What can I do for you, my poor fellow ?" asked one of the gentle nurses of a sufferer.

"Nothing, thank you, miss." "Not anything?" said the charming visitor persuasively

"I don't think so," murmured the wounded man wearily

"At least." she said mildly but firmly, "I can wash your face." She fetched the necessary materials and scoured Mr. Atkine' racful countenance. "There !" she announced "Now you will feel nice and clean-

"I ought to, miss," said the soldier, with a faint smile "You're the ninth lady who's washed my face this morning!
