Caruton	Indiana is a hard blow for trusts in that state and if followed in other states will settle the question. The court holds in that case that they are against public policy and forfeits their franchises. It was a case of gas companies combining to put up the price and force out compe- tition. One company agreeing not to furnish a customer to the other. De- cisions of this kind go further than any other method in bringing results. Poli- ticians may cry for these reforms, but a few decisions of this kind will settle the trust business
Marmot Adolph Aschoff	trust business.

The way to build up Oregon City is to give Oregon City People your Patronage.

WILLAMETTE UNIVERSITY did a very worthy act in conferring the degree of bachelor of arts last week on H. G. Hibbard, who left that institution and went with the Second Oregon to Manila, where he died.

It is now believed that a bill will be introduced and probably passed at the next session of congress making all obligations of the government payable in gold. That is the practice now and it will do good to put the obligation in positive form.

THE indications are that very little will be directly accomplished at the peace conference. The question of dis- These things point the way in which ment and arbitration will probably most disputes will be settled in the fail. DISEASES OF WOMEN.

Treatment and Cure by an Entirely New and Successful Method.

For the benefit of those who are not already acquainted with his mode of treatment, and who may be seeking aid, though distrustful, after many failures, of everybody and everything, Dr. Darrin, the celebrated specialist, who has his offices at 265 Morrison street, Portland makes the extraordinary and most generous offer to treat diseases of women free of charge, except medicines, for one month, to prove to the community at large his ability and skill as a specialist. Female diseases are extremely common, and none are more complicated cure. 25c. The genuine has L. B. Q. and difficult to cure than the class gener- in each tablet. ally known as "female complaints."

Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first it was a slight strain and would soon be well, but it grew worse and the doctor then said 1 had rheumatism. It continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Baim. I tried it and onehalf of a 50 cent bottle cured me entirely. I now recommend it to all my friends. F. A. Habcock, Erie, Pa. It is for sale

Norwithstanding the cry of the 16 to I people, Gorman is making good headway in his candidacy and has most of the eartern democrats with him. Bryan and his friends will find that they have a man to deal with in Gorman that under- cent war with Spain. stands the school of politics.

THE conditions are such in Spain that the government kept secret the ceremonies attendant on the reception of our new minister to that country. In this way we can realize the strain there is on the government to keep the people quiet. We can bardly realize this government doing such a thing.

GERMANY, or at least the Kaiser is opposed to the establishment of an international tribunal of arbitration. It is believed the other nations can agree on such a tribunal, and if so they will go ahead leaving Germany out, so far as this feature is concerned. These things will come in time in spite of opposition.

THE fact becomes more evident each day that the trouble is not yet over in the Philippines. The tenacity with which the insurgents follow up the war is causing comment in military circles. It is necessary to whip these people soundly before peace overtures will be made. The peace commission was sent to the islands prematurely.

and all this means considerable in a call for such service and such sacrifice. campaign against a class of people like the Filipinos.

WHEAT and iron continue to advance. Wheat caused by the reports of a shortage of the crop in this country as well as In Russia and other parts of the world. Iron advances notwithstanding the production is greater than ever before and greater than in any other country. In the east the revival of all lines of business has made the demand for iron unprecedently large.

future. But a few miles distant at the peace conference held at Brussels a strong effort is being made to make this

question of arbitration compulsory and engraft it into international law. Whether this succeeds or not, a great advance is being made in the settling of disputes of nations, notwithstanding our re- up the task.

THE SOLDIERS' MONUMENT.

The appeal for a monument at Portland to the dead of the Second Oregon is meeting with gratifying response. The proposal is one that goes to the hearts of the people.

Let the subscriptions be hurried in. The regiment will soon be home. Let it

be met on its return with this testimonial to its dead, and this tribute to ing their pay.

the patriotic ardor of the living. The regiment has been through the island and is a wreck. fiery furnace; it has been tried in the severest difficulties of privation and hardship; it stood to its arms in and around Manila, on guard against secret foes in the most trying circumstances; and then it was advanced to the battle line, where it won praises from every quarter by its steadiness, endurance and valor. Its death roll shows what stuff it is made of. From no duty has it ever flinched. To the regiment was committed the honor of the state, and worthily has the regiment borne it.

And now, in recognition of this service, let us crect this monument at Port-GENERAL WHEATON is proving himself land to the regiment's dead. It is due to the right man in the right place.
