

THE Y. M. C. A. BUILDING.

Statement Regarding the Material Used and Cash Expenditures.

The management of the Oregon City Y. M. C. A. cordially invite the attention of the public to a statement of the labor, material, and expenditures of the new building and the present financial condition of the institution.

The building is 100 feet in length, 48 feet wide and fronts directed on Main street. Corner posts on north side are 36 feet, on south side 21 feet. The basement is 22 feet wide, 100 feet long, and 15 feet deep below the sidewalk, and is at present fitted up complete with men's bath rooms with water system, and foundation for bowling alley. On the gymnasium floor are three bright rooms in front for reading rooms and parlor. Back of these is the gymnasium hall, 48 x 70 feet, surrounded by a handsome gallery and at the rear of the gymnasium are ladies apartments finished in hard oil with shower baths and complete water system. The building rests on a stone and cement wall 3 x 3 under the entire north side. A stone wall 3 feet wide and 16 feet high also extends 35 feet along the east end, the remaining east end, entire south side and west end resting upon a natural ledge of solid rock.

The following lumber and material has already been put into the building: Dressed lumber.....36,000 ft Cedar foundation lumber.....1,100 " Cedar and redwood.....500 " Rough and sined.....27,000 "

Total lumber.....65,000 ft Doors 30, windows 60, transoms 20, shingles 40,000, cement and lime 40 barrels, sand and stone 300 cubic yards, white lead 250 lbs, ocher 200 lbs, oil 40 gals, water piping 250 feet, vent piping 100 feet, showers for baths 8, flush tank water closets 2, incandescent electric lights 41, electric wire 1500 feet.

The following estimate is the approximate cost of labor and material already put into the building, including debt of former board:

Table with 2 columns: Item and Amount. Includes Debt of former board (\$300.00), Lumber (\$85.00), Windows doors and hardware (\$300.00), Contractors labor only (\$380.00), Other labor (\$100.00), Brick, shingles and p'tg (\$130.00), Frames and finishing (\$125.00), Plumbing (\$190.00), Lights and fixtures (\$55.00), Excavating foundation (\$300.00), Cement, sand, and lime (\$80.00), Mason and foundation labor (\$75.00), Resources available in construction of building (\$1850.00), Pledges boys and business men (\$500.00), Proceeds city canvas (\$440.00), Labor contributed (\$50.00).

From the foregoing statement it is apparent that the total valuation of the Y. M. C. A. property is \$3240.00 and the present indebtedness, including price of lot and old indebtedness amounts to \$1700.00. Deducting old debt and price of lot from above amount and there remains less than \$700 unpledged of the \$2,500 put into the building. The board has borrowed this \$700 on its personal notes to complete the building but is gratified at this showing and most sincerely appreciates the favor and kindly considerations received from the public and with the fair support and aid of the public hereafter the permanent establishment of the institution is assured.

Clackamas Fruit Crop.

W. K. Newell, of Dilley, Or. was at the Electric Wednesday. Mr. Newell represents the State Board of Horticulture and is on a tour of the state inspecting the commercial fruit orchards. According to Mr. Newell's estimate the Clackamas county prune crop will be practically nothing, probably a few petites, and the apples are also badly damaged. The state prune crop, he estimates, will amount to not more than 50 car loads as against 700 cars last year, and those will come mostly from Jackson county.

Committed to the Reform School.

On Wednesday Mike Koeble, who lives near Mackburg, appeared before the county court petitioning that his son Edward Koeble, 15 years of age, be committed to the reform school, as he was incorrigible, and his parents could do nothing with him. The reason for his making this request at this time was that Edward had been arrested for doing malicious mischief to the property of a neighbor. The boy had, in the absence of the neighbor, driven his cow into a slough where she was drowned, he then galloped up all the garden crop, after which, he entered the cellar and with a club destroyed a large number of fruit jars.

The court considered him a fit subject for the reform school, and Sheriff Cooke took him to that institution yesterday.

Adjourned Council Meeting.

The city council met in adjourned session Wednesday evening with Councilman R. Koerner in the chair in the absence of Mayor Latourette. Councilmen Charman, Metzner and Powell were absent. The case of Sloper vs. Oregon City was discussed and referred to the finance committee with power to act. This is a suit for damages for a horse killed by backing off the hill back of the Congregational church.

The fire and water committee reported having ordered double plug hydrants put in on Twelfth street near the trestle and at the Congregational church. The old fire bell was given to the Ely fire company to use.

Water Commissioner Wilson presented his bond, which was accepted. A new flag was ordered purchased for the city hall, Councilmen Koerner and Chief of Police Burns being appointed a committee to purchase it.

The ordinance providing for the purchase of 700 cubic yards of crushed rock and 100,000 feet of lumber for the repair of streets and sidewalks, came up for final reading and was passed.

Married.

STUART-FARR—On Friday evening, June 16, 1899, Mr. Chas. A. Stuart and Miss Clara A. Farr.

The ceremony was performed at the residence of the bride's parents, Mr. and Mrs. Isaac Farr, of this city in the presence of the members of the family and a few invited guests. Rev. Montgomery, of the Presbyterian church officiated. The bride is one of Oregon City's popular young ladies and the groom, whose home was in North Yamhill, is well known to many of our citizens, and has been in attendance for several years at the medical department of the Willamette university, from which he has only recently graduated.

Dr. and Mrs. Stuart left Tuesday for Buena Vista where they will make their future home. Dr. Stuart having secured a practice there.

Outside the members of the family, there were present at the ceremony: Mr. Stuart, father of the groom, and Mr. Spangler, of North Yamhill; Mr. and Mrs. Bowers, Lake May, Eldon May, of Canemab; Mr. and Mrs. Rowe, of Gladstone; Miss Pearl Newman, of Portland; Gordon Hull, of Mehama; Mr. and Mrs. Minus, Miss Maggie Minus, Mrs. Griff Jones and Linn Jones, of Oregon City.

FIELDS-RAMSBY—Mr. J. H. Fields and Mrs. Ella Ramsby were married at the home of Mrs. James Shaw in this city, Wednesday, June 21st at 8:30 p. m., Rev. A. J. Montgomery officiating.

Mr. Fields is a successful farmer of Garfield county Washington. He is a cousin of C. D. and D. C. Latourette and is also related to G. A. Harding and other prominent men of this city. He returned to his home today with his wife and two step-daughters. The Enterprise joins their many friends in wishing them a long and happy life.

Died.

JAGGAR—At Vincent's Hospital, Portland, on Monday, June 18, 1899, Eva Jaggar, aged 9 years, 7 months and 2 days.

The deceased was a victim of appendicitis and on Saturday was taken to the hospital where an operation was performed. She appeared to rally from the effects of the operation but it was only a temporary improvement and death soon ended her sufferings. She was the daughter of Jeanette and Frank Jaggar, of Carus, and was a favorite among her acquaintances. The remains were buried in the cemetery here Tuesday, the funeral services being held at the residence of Benjamin Jaggar in this city.

Seriously Scalded.

M. P. Chapman, employed in the Crown mills here, met with a serious accident Tuesday night. He was working at the digester, a huge machine filled with steam and acid for reducing material used in the mills, and in opening it, took off the wrong hand plate and let the steam and acid out upon him. A portion of his face, his right arm and side were scalded so that the skin dropped off, and he suffered intense torture before medical aid could be secured from town. He was removed to his home and is doing very nicely now, although it will be some weeks before he is able to be around again.

Will Organize Tonight.

Mrs. L. J. Evers, of Portland, has been in the city for some time past working in the interest of the order of Ancient Order of the Pyramids. Her efforts have been rewarded by a good sized class and the lodge will be instituted in the Red Men's hall this evening. The order is a new one, but is highly spoken of, and possesses the admirable feature of admitting male and female upon an equal footing. Its objects are fraternal and beneficial.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO. Toledo, O. Sold by druggists, 75c. Hall's Family Pills are the best.
