## PUT A KODAK IN YOUR POCKET-

and double the enjoyment of this summer's vacation . . . . . . .

Camera?" but "What Camera shall I buy?" At once your mind turns At once your mind turns to Kodak-the Camera that made photography easy for the multitude -the Camera whose name has become such a household word that it has been incorporated into the new dictionaries. The Kodak is the Camera your friends carry-the Camera that you instinctively have confidence in-the Camera that the salesman takes for his highest standard when he is trying to sel sems other Camera and says "It's just as good as a Kodak." The Kadak is as easy to handle and operate as your umbrella or your walking stick. If you don't want to carry one in your hand, we have kinds that will slip into your pocket like a small book, but they are just as ready and efficient as the large ones to carry away a picture of the scene that makes you exclaim "Oh! it I only had a Camera."

The question is not "Shall I buy a
