Mrs. M. F. Long, of Le Loup, Franklin Co., Kans., writes: "Words cannot express how grateful I am for your kind advice and good medi-cines. I have been in poor health more or less all my life. In the nine years grew worse, and two years ago I was so poorly could hardly drag around. I consulted a specialist and he said I had ulceration and that an operation would have to be performed. This did not seem necessary to me, so time went by, and at last I wrote to Dr. Pierce asking advice. I soon got a helpful answer advising me to try his medicines, the 'Favor-ite Prescription,' Golden Medical Discovery,' and also his 'Pleasant Pellets,' I began taking 'Favorite Prescription' and the other med-icines as advised. When commencing I weighed 1191/2 pounds, and af-ter taking one bottle of each I felt like a new woman. In one month I gained 8 pounds. After taking two bottles of each of the medicines. I began to look like a woman and no like a skeleton, and that weary tired feeling all left me."
