Names of some of the Principal Braads Sold in this Vicinity.

The recent discussion in the papers of the effect upon the human system of food made with alum baking powders and the opinions that have been published from noted scientists to the effect that such powders render the food unwholesome, have caused numerous inquiries for the names of the various alum powders.

The following list of baking powders containing alum is made up from the reports of State Chemist Nicholson of Nebraska, the City Chemist of St. Louis, the Food Commission of Minnesota, or other reliable authority:
