Common Sense Talk With Women

If a person is ill and needs a medicine it is not wise to get one that has stood the test of time and has hundreds of thousands of cures to its credit? A great many women who are ill try everything they hear of in the way of medicine, and this experimenting with unknown drugs is a constant menace to their already impaired health. This seems to us very unwise, for there are remedies which are no experiments and have been known years and years to be doing only good. Take for instance Lydia E. Pinkham's Vegetable Compound; for thirty years its record has been one unbroken chain of success. No medicine for female ills the world has ever known has such a record for cures. It seems so strange that some people will take medicines about which they really know nothing, some of which might be, and are, really harmful; while on the other hand it is easily proved that over one million women have been restored to health by Lydia E. Pinkham's Vegetable Compound. We have published in the newspapers of the United States more genuine testimonial letters than have ever been published in the interest of any other medicine. All this should, and does, produce a spirit of confidence in the hearts of women which is difficult to dislodge, and when they are asked to take something else they say, "No, we want Lydia E. Pinkham's Vegetable Compound, which has been tried, and never found wanting, whose reliability is established far beyond the experimental stage." We have thousands of letters like the following addressed to Mrs. Pinkham, showing that

Monthly Suffering is Always Cured by Lydia E. Pinkham's Vegetable Compound, also Backache and Bearing-down Pains.

"I suffered untold agony every month and could get no relief until I tried your medicine; your letter of advice and a few bottles of Lydia E. Pinkham's Vegetable Compound have made me the happiest woman alive. I shall bless you as long as I live."—Miss JOSE SAUL, Dover, Mich. "Four years ago I had almost given up hope of ever being well again. I was afflicted with those dreadful headache spells which would sometimes last three or four days. Also had backache, bearing-down pains, leucorrhoea, dizziness, and terrible pain at monthly periods, confining me to my bed. After reading so many testimonials for your medicine, I concluded to try it. I began to pick up after taking the first bottle, and have continued to gain rapidly, and now feel like a different woman. I can recommend Lydia E. Pinkham's Vegetable Compound in highest terms to all sick women."—Miss ROSA HELDEX, 136 W. Cleveland Ave., Canton, O.

Two Letters Which Prove That Lydia E. Pinkham's Vegetable Compound Will Remove Tumor and Cure Other Weakness.

"Two years ago I was a great sufferer from womb trouble and profuse bearing each month, and tumors would form in the womb. I had four tumors in two years. I went through treatment with doctors, but they did me no good, and I thought I would have to resort to morphine. "The doctor said that all that could help me was to have an operation and have the womb removed, but I had heard of Mrs. Pinkham's medicine and decided to try it, and wrote for her advice, and after taking her Vegetable Compound the tumors were expelled and I began to get stronger right along, and am as well as ever before. Can truly say that I would never had gotten well had it not been for Lydia E. Pinkham's Compound."—MARY A. STAHL, Watsontown, Pa. "After following the directions given in your kind letter for the treatment of leucorrhoea, I can say that I have been entirely cured by the use of Lydia E. Pinkham's remedies, and will gladly recommend them to my friends."—A. B. DAVIDS, Binghamton, N. Y.

Another Case of Womb, Kidney and Bladder Trouble Cured by Lydia E. Pinkham's Vegetable Compound.

"DEAR FRIEND—Two years ago I had child-bred fever and womb trouble in its worst form. For eight months after birth of babe I was not able to sit up. Doctors treated me, but with no help. I had bearing-down pains, burning in stomach, kidney and bladder trouble and my back was so stiff and sore, the right ovary was badly affected and everything I ate distressed me, and there was a bad discharge. "I was confined to my bed when I wrote to you for advice and followed your directions faithfully, taking Lydia E. Pinkham's Vegetable Compound, Liver Pills and using the Wash, and am now able to do the most of my household work. I believe I should have died if it had not been for your Compound. I hope this letter may be the result of benefiting some other suffering woman. I recommend your Compound to every one."—MRS. MARY VAUGHN, Trimble, Pulaski Co., Ky.

Dr. L. L. Pickens, dentist, has reopened his dental office in the Barclay building corner of Main and Seventh streets.

"It did me more good than anything I ever used. My dyspepsia was of months' standing; after eating it was terrible. Now I am well," writes S. B. Keener, Hoisington, Kas., of Kodol Dyspepsia Cure. It digests what you eat. Geo. A. HARDING.
