Two Hundred Dollars Given Away. In order to introduce our beautiful flowering bulbs we have decided to give \$200 in cash to the person making the longest list of words formed from the letters as follows: F-L-O-W-E-R-S. Take the letters as shown here and form as many words as you can, using the letters backwards or forwards, but don't use any letter in the same word more times than it appears in the word "Flowers". It is interesting and instructive to see how many small words can be correctly spelled using only these seven letters; for example, so, flow, flew, etc., etc. The Eagle Bulb & Seed Company will pay \$200 in cash to the person making the largest list of words formed as above. If you are good at word making and wish to make the \$200 write your name and address plainly on your list and enclose the same with 15 2 cent stamps for ten beautiful flowering bulbs of ten popular and different varieties. Our object in giving this \$200 is to attract attention to and introduce our bulbs all over the world. This offer will be carefully and conscientiously carried out and it should not be classed with "catch-penny affairs". We will spend a large amount of money to introduce our bulbs and want your trial order. You will receive the greatest value in bulbs ever offered. If two or more persons succeed in making the same number of words the \$200 will be divided equally between them. Many extra special prizes of value will be awarded to all persons who send in at least ten words and who will assist in introducing our bulbs to their friends. Satisfaction is absolutely guaranteed or your money will be promptly refunded. Send your list as early as possible. A EAGLE BULB & SEED COMPANY, Chamber of Commerce Bldg., Chicago, Ill.
