A Girl's lack of Hoys. At an examination in a certain school for girls an essay on "Boys" was

like a frog's, but girls hold their tongue till they are spoke to, and they answer respectable, and tell just how it was. A boy thinks he is clever because he can wade where it is deep, but God made the dry land for every living thing, and rested on the seventh day, When the boy grows up he's called a husband and stays out nights, but the grew up girl is a widow and keeps house."

An Eye to Business.

A little boy named Peter at a public school saw his teacher faint and fall. In the general confusion it was impossible to keep so many curious heads cool, and the little ones flocked round the prostrate woman and her sympathining colleagues. But this small boy kept both his color and his coolness. Standing on a bench and raising his hand, he exclaimed: "Please, teacher, can I run home and tell father to come? He makes coffins!"

Evolution.

A girl named plain "Mary" at her birth dropped the "r" when she grew up and became Miss May. As she began to shine in a social way she changed the "y" to "e" and signed her letters Mae. About a year ago she was married, and now she has dropped the "e," and it's just plain "Ma." That's evolution.-Rogersville (Tenn.) Review.

Beau Brummel Reprimanded.

Beau Brummel once insolently replied to an invitation to take tea by remarking that he never "took" anything but physic.

"Yes, you do," frowned his hostess; "you take liberties."

20 T WOMAN'S MISTAKE

P. Pinkham's Vegetable Compound has cured more women than any other remedy. It therefore must be the best possible medicine for female ills.

But some women male the mistake of thinking that they will try some-thing else, simply because it is new. That mistake is often a fatal one— fatal to the health and happiness of the experimenter.

the experimenter.

Is it not foolish to risk the possible results of such experiments? Is it not better to depend upon a medicine which has been tried successfully for thirty years, and which has never been found wanting? Do not therefore let any one persuade you to try something which they say is just as good. It cannot be just as good. Mrs. Pinkham's Compound is the best, and there can be only one best. This is not a mere assertion, but is a positive fact, admitted by hundreds of regular physicians.

Rely on your own common sense, and Mrs. Pinkham's life-long experience, and you will make no mistake. Don't experiment with your health, but take a medicine that you know is good, and is backed by such letters as these to Mrs. Pinkham:

Suppressed and Painful Periods Cured by Lydia E. Pinkham's Vegetable Compound.

"I was thin, sallow and nervous. I had not had my menses for over a year and a half. Doctored with several physicians in town and one specialist, but did not get any better. I finally decided to try your medicine, and wrote to you. After I had taken three bottles of Lydia E. Pinkham's Vegetable Compound and three of Meade Post No. 2, G. A. R., meets

"Before taking the Vegetable Com-pound I was troubled with irregular menstruation, and suffered great agony. My physician gave me mor-phine, and I remained in bed. I doc-tored eight years and got no relief, and the doctors told me there was no relief for my trouble. Finally I tailed I adde Pioneer Chapter No. 28, O. E. Ovarian Troubles Always Yield to Lydia E. Pinkham's Vegetable Com-

"I had been in poor health for twenty years, having inflammation of ovaries and womb trouble. Although strength nor do my work, and was so low-spirited and tired of life. A friend advised me to take Lydia E. Pink-ham's Vegetable Compound. The first bottle strengthened me, and I wrote to you. After taking six bottles can say

"For three years I suffered with ovarian trouble, having inflammation and an abscess on right ovary. Had such pain in my back and head, and at times was unable to walk. Had sev-eral doctors, but they did not do me much good. One doctor said that I would have to have an operation and have the ovary removed. I became discouraged and gave up all hopes of getting well. I began taking Lydia E. Pinkham's Vegetable Compound. wrote to Mrs. Pinkham and followed her directions faithfully, and am better than I have been for three years. I have taken ten bottles, and my friends are surprised at my rapid improvement."—Mrs. W. H. WALTERS, Cold Spring Harbor, L. I., N. Y.

Backache and Womb Troubles Succumb to Lydia E. Pinkham's Vegetable Compound.

"I have been for ten years an invalid with female weakness, and the torture and pain I suffered no tongue can tell. I never spent one week in the ten years that I was free from pain. My trouble was inflammation and congestion of womb. When I commenced to take your remedy I had been bedfast for some time under the treatment of two of the best physicians in Illinois without receiving any benefit. You can imagine the benefit I derived from Lydia E. Pinkham's Vegetable Compound when I tell you that I have gained forty pounds and am well—a thing I never dared to expect."—MRS. C. E. FOLAND, Monett, Mo.

able that I could not attend to my work or studies. The least effort would completely exhaust me. Physicians failed to help me. I felt that my youth was blighted, and the life before me would be one of suffering and misery. Then a friend insisted on me taking your medicine. Before I had used one bottle I was greatly relieved. I had not known a well day for four years, but now I feel better than I have since a child, and it is all due to Lydia E. Pinkham's Vegetable Compound."— MISS MAY B. STEVENSON, Alliance, O.
