Women Remember This Fact

That in addressing Mrs. Pinkham you are communicating with a woman a woman whose experience in treat-ing woman's ills is greater than that of any living person—male or female.

A woman can talk freely to a woman when it is revolting to relate her private troubles to a man.

Many women suffer in silence and drift along from bad to worse, knowdrift along from bad to worse, knowing full well that they should have immediate assistance, but a natural modesty impels them to shrink from exposing themselves to the questions and probable examination of even their family physician. It is unnecessary. Without money or price you can consult a woman, whose knowledge from actual experience is unconsided. from actual experience is unequaled.

Women suffering from any form of female weakness are invited to freely communicate with Mrs. Pinkham at Lynn, Mass.

All letters are received, pened, read and answered by women only. This is a positive fact—not a mere statement. It is certified to by the mayor and postmaster of Lynn and the Women's Christian Temperance Union, whose letters, all in a little book, Mrs. Pinkham has just published. Thus has been established the eternal confidence between Mrs. Pinkham and the women of America which has never been broken and has induced more than 100,000 sufferers to write her for

advice during the last few months.
Out of the vast volume of experience which she has to draw from, it is more than possible that she has gained the very knowledge that will help your case. She asks nothing in return except your good-will, and her advice has relieved thousands. Here is one of the cases we refer to:

Miss Collier Writes for Mrs. Pinkham's Advice, Receives it, and is Made Well. Read Her Three Letters:

"DEAR MRS. PINKHAM-I have rend in a paper of a young lady who was cured by the use of Lydia E. Pinkham's Vegetable Compound, and would like your advice in regard to my case. such dreadful cramps and pains at time of menstruation that it seems sometimes as though I could hardly stand it. I would be so thankful if I April 9, 1896.

"I received your letter in reply to mine and I followed your kind advice; have taken four bottles of your Veg-etable Compound. I think it has helped me a good deal. How many bottles will effect a cure?"—Miss LILLIE M. COLLIER, Pigeon Run, Ohio, July 11, 1898.

"I again did as you advised me and now I feel it my duty to tell you what Lydia E. Pinkham's Vegetable Com-Lydia E. Pinknam's vegetable Com-pound has done for me. For five years I suffered untold agonies at time of menstruation. I have now taken twelve bottles of Compound and used three boxes of Liver Pills and am entirely cured of the dreadful pain I used to suffer. I advise all those who suffer with female weakness to write to Mrs. Pinkham, at Lynn, Mass."-Mrss Littie M. Collier, Pigeon Run, Ohio, May 10, 1899.

Two More Women Who Acknowledge the Help They Have Received from Mrs. Pinkham.

"DEAR MRS. PINKHAM-The doctor says I have congestion of the womb, and cannot help me. There is aching in the right side of abdomen, hip, leg, and back. If you can do me any good, please write."—Mas. NINA CHASE, Fulton, N. Y., December 20, 1897.

"DEAR MRS. PINKHAM-I followed your instructions, and now I want every woman suffering from female trouble to know how good your advice and medicine is. The doctor advised an operation. I could not bear to think of that, so followed your advice. I got better right off. I took six bottles of Lydia E. Pinkham's Vegetable Compound and used three packages of Sanative Wash; also took your Liver Pills, and am cured."—Mas. Nina Chase, Fulton, N. Y., December 12,

"DEAR MRS. PINKHAM-Have been suffering for over a year and had three doctors. At time of menstruation I suffer terrible pains in back and ovaries. I have headache nearly every day, and feel tired all the time. The doctor said my womb was out of place.
Would be so glad if you could help me."

-Mrs. Carl Voss, Sac City, Iowa, August 1, 1898.

" Picase accept my sincere thanks for the good your advice and Lydia E. Pinkham's Vegetable Compound has done me. I did everything you told me to do, and used only three bottles, and feel better in every respect."-MRS. CARL Voss, Sac City, Iowa, March
