Tea Drinking.

Tea drinking was regarded as one of the feminine vices of a hundred years ago. The Female Spectator of that period observes: "The tea table costs more to support than would maintain two children at nurse. It is the utter destruction of all economy, the bane of good housewif'ry and the source of Idleness."

Distinguished Testimony

No secret society in the world stands higher in noble aims and charitable accomplishments than the Knights of Pythias. That order is doing great good, and one of its finest institu-

tions is the Ohio Pythian Home, at Springfield, Ohio, which is ably presided over by Superintendent Le Fevre and his wife, Mrs. Callie I. Le Feyre, the matron. The latter has recently written a letter, which will command widespread attention because of the prominence of the writer. It is as follows:-"Messrs, W. H. Hooker & Co., New York: Last year I used Acker's English Ramedy at the suggestion of a friend, for a serious, long-standing throat difficulty and extremely hard cough. Had used many well spoken of preparations without relief. I can houestly say that Acker's English Remedy removed the difficulty and stopped the coagh. I did not purchase

The friend to whom Mrs. Le Fevre refers as having suggested Acker's English Remedy is Mrs. W. B. Chilton, wife of the president of the Troy Transfer Co., of Troy, Ohio, where this remedy has accomplished many other rires in Throat and Lung Troubles. In conversation with an acquaintance Mrs. Le Fevre also said "If you will call on Mr. W. H. Schauss, a prominent china and art merchant of Springfield, Ohio, you will find that he, too, has had any amount of experience with Acker's English Remedy in his family, and thinks they cannot keep house without it.
