reforms within and without the republican party, but the people will scarcely entrust reforms or even administration to such a conglomeration of antis-Telegram.

The third party organization in the senate has gone to pieces. Senator Pettigrew, who is fighting with the desperation of despair, Senator Allen of Nebraska, who has not had time to arrange himself since his appointment in place of the late Senator Hayward, and Senator Teller, are about the only members left.

The populists and democrats have agreed on a plan that they think will give them the offices. The leaders in both these parties know that there are many members of each party that belong to that party because of some principle advocated.

Your Face

Shows the state of your feelings and the state of your health as well. Impure blood makes itself apparent in a pale and sallow complexion, pimples and skin eruptions. If you are feeling weak and worn out and do not try a healthy appearance you should try Acker's Blood Elixir. It cures all blood diseases where cheap sarsaparilla and so called purifiers fail; knowing this we sell every bottle on a positive guarantee. George A. Harding, agent.

For Young Men and Young Women.

There is nothing that will arouse the ire of a young man or woman so quick as to have inferior laundry work put off on them. They may dress ever so well, but if their shirt front or shirt waist is mussed their neat appearance is spoiled. The Troy laundry makes a specialty of ladies' and gentlemen's fine work. There can be no better work than is done at the Troy. Leave your orders at Johnson's barber shop.

Not Stricken With Grief.

"I thought my ambulance service had hardened me against unpleasant surprises," said a young doctor who does considerable work on the lower east side, "but sometimes it seems not. For instance, yesterday morning when I called on an old woman patient in a big tenement down town I found she was dying, and I was shocked to see lying asleep close beside her on the narrow bed a young girl of about 15.

"I aroused her at once and explained to her that her grandmother was within a few minutes of death. I thought naturally that she would jump out of her unpleasant position, without thinking long about the manner of her jumping. But I fooled myself. She just glanced at the old lady and muttered 'You lemme lone;' then she turned over to go to sleep again without moving away an inch.

"The rest of the family went on with their chattering and wailing, and when I left the house after the end had come to the grandmother the girl was still sleeping there, refusing to have her morning nap disturbed, and somehow my system was considerably jarred by the thing."—New York Commercial Advertiser.

He Made It Clear.

The Worcester Gazette tells of a musician whose English is not as perfect as his music. While conducting a festival at Littleton, N. H., he was called upon to introduce a soloist. He did it in this fashion:

"Ladies und chentlemen, I haf bene esked indrooduce to you Meester Wilder to play for you a floot solo. I haf now done so, und he vill now do so."

It's a Serious Thing For a woman to come to that period known as change of life. It is almost always a period of suffering, and the derangement of mind and body is sometimes so great that the family life is utterly marred by the unhappy wife and mother. At such a time every woman needs just the help that is given by Dr. Pierce's Favorite Prescription. It works with Nature, soothes the nerves by nourishing them, and cures diseases of the delicate organs. In brief, it makes weak women strong; sick women well.

"I have taken four bottles of 'Favorite Prescription' for female weakness and change of life," writes Mrs. Lizzie A. Bowman, of New Matamoras, Washington Co., Ohio. "Before I began taking it I could not do anything. I had such pains in my head and in the back of my neck that I thought I would lose my mind. Now I can work every day and do not suffer. I recommend 'Favorite Prescription' to all women suffering in the period of change of life. It is the best medicine I have ever found."

Having a Great Run on Chamberlain's Cough Remedy.

Manager Martin, of the Pierson drug store, informs us that he is having a great run on Chamberlain's Cough Remedy. He sells five bottles of that medicine to one of any other kind, and it gives great satisfaction. In these days of la grippe there is nothing like Chamberlain's Cough Remedy to stop the cough, heal up the sore throat and lungs and give relief within a very short time.

"I am indebted to One Minute Cough Cure for my health and life. It cured me of lung trouble following grippe." Thousands owe their lives to the prompt action of this never failing remedy. It cures coughs, colds, croup, bronchitis, pneumonia, grippe and throat and lung troubles. Its early use prevents consumption. It is the only harmless remedy that gives immediate results. GEO. A. HARDING.

It Has Never Failed

Mr. C. S. Peaslee, the well-known druggist of Morgan City, La., is highly thought of in his neighborhood because of his skill and care in filling prescriptions. The best physicians in the place send their patients to his store whenever they can. Any thing which Mr. Peaslee may say can be depended upon absolutely. In a letter to W. H. Hooker & Co., New York City, proprietors of Acker's English Remedy, he says: "In all my many years' experience as a druggist, I have never handled a medicine of any nature that gave such complete satisfaction as Acker's English Remedy for Throat and Lung Troubles. I have sold hundreds of bottles, and have yet to learn of a single case where it failed to cure. In a crowd, it acts with a certainty that is really marvelous. My wife does not take much stock in medicine, but she has absolute faith in Acker's English Remedy, always having it at her elbow in case the children are attacked by croup at night. It is a positively harmless remedy, as I can personally testify. I know of a little girl who accidentally drank a whole bottle. She was, of course sick at her stomach for a short time, but the sickness passed away, and then the child was in better health than ever before. I can understand why Acker's English Remedy is so efficacious, because I am a druggist. It is not a mere expectorant, but a strengthening, invigorating tonic as well. While it heals the irritations of the mucous membrane, it also builds up the constitution and purifies the blood. I endorse it absolutely."
