The Homeliest Man in Oregon City. As well as the handsomest, and others are invited to call on any druggist and get free a trial bottle of Kemp's Balsam for the Throat and Lungs, a remedy that is guaranteed to cure and relieve all Chronic and Acute Coughs, Asthma, Bronchitis and Consumption. Price 25c and 50c.

There is no better medicine for the babies than Chamberlain's Cough Remedy. Its pleasant taste and prompt and effectual cures make it a favorite with mothers and small children. It quickly cures their coughs and colds, preventing pneumonia or other serious consequences. It also cures croup and has been used in tens of thousands of cases without a single failure so far as we have been able to learn. It not only cures croup, but when given as soon as the croupy cough appears, will prevent the attack. In cases of whooping cough it liquefies the tough mucus, making it easier to expectorate, and lessens the severity and frequency of the paroxysms of coughing, thus depriving that disease of all dangerous consequences. For sale by G. A. Harding, Druggist.

An Editor's Life Saved by Chamberlain's Cough Remedy. During the early part of October, 1896, I contracted a bad cold which settled on my lungs and was neglected until I feared that consumption had appeared in an incipient state. I was constantly coughing and trying to expel something which I could not. I became alarmed and after giving the local doctor a trial bought a bottle of Chamberlain's Cough Remedy and the result was immediate improvement, and after I had used three bottles my lungs were restored to their healthy state.—B. S. Edwards, Publisher of The Review, Wyant, Ill. For sale by G. A. Harding Druggist.
