

Judges Talk.

County Judge Terrell, of Marion county, has received from County Judge Barton, of Linn county, a letter on the subject of what he terms "the rank injustice to the Valley counties by the enactment of the law known as the state scalp bounty act."

Judge Barton says: "Our court made the levy in January as directed by the law, but we do not desire to pay one cent of the funds arising from the tax into the state treasury". He continues that an able constitutional lawyer of Albany, after a careful examination of the law, says that it is not equal taxation as contemplated by the constitution, and in his opinion it would be declared void by the courts on proper submission.

He suggests that all the interested valley counties co-operate in opposing the payment and testing the law.

Judge Terrell replied that he had not given enough consideration to the matter, as he had not contemplated a refusal to comply with the law, but that he would take it under advisement and look the matter up.

Judge Ryan, of this county, who has received the same letter from Judge Barton, make the following statement concerning it:

"The law provides that one cent per head for all the sheep in each county, and 1/2 mill on every dollar's worth of assessable property in each county shall be paid by each county into the state treasury as a bounty fund. It seems as though this is unjust to the valley counties as Eastern Oregon furnishes all the scalps and we get none of the money so expended, yet we are called upon to help pay the fund.

One man came to Salem the other day with \$900 worth of scalps. They make a business of it up there and we pay for it. I concur with Judge Barton."

Build up our City.

Every man, woman and child in this city should appoint themselves a committee of one to promulgate the resources of Oregon City. Our immense water-power, which is the greatest in the United States, with the single exception, Niagara Falls, should be taxed to its utmost capacity with mills and factories. Where there are good monthly pay rolls, there will all the other elements that are necessary to upbuild a progressive city be found.

With a comparatively small expense our water power could be made to operate cars on an electric incline up the bluff, whereby the going from and coming to our business streets would be a pleasure instead of a hated necessity.

For too many years we have been sleeping on our rights, feeding the cow for Portland to milk. Let us get a move on ourselves and show the outside world our great resources and invite them here.

Below we append the logical result of just such efforts:

SAN JOSE, Cal., Feb. 8, 1900. Editor Enterprise.—Will you kindly send me a sample copy of your paper? We expect to move to Oregon in the spring and have not yet decided on a location. Have heard much of your town and would like to know more. Have sold our home here and are waiting for the spring time for removal. Very respectfully, MRS. ANNE E. CONOVER.

Wedding Bells.

A very pretty wedding took place Saturday evening at the residence of Mr. and Mrs. James McFarland. The contracting parties were Miss Minnie Foreberg and Robert Jacobson, Rev. A. J. Valentine Party.

The valentine party given at the armory Wednesday evening was a very charming affair. The scene presented was most picturesque, made by the many young ladies appearing in gorgeous costumes of Colonial style. The walls were decorated with evergreens, resplendent with pretty figures, appropriate to St. Valentine, with hearts in the lead. The "Daughters of the King" of the Episcopal church had the affair in charge, and had prepared a splendid program which was enthusiastically enjoyed:

Miss Imogene Harding sang "May Morning" and for an encore gave "Won't You Tell Me Why Robin." Miss Harding sang with much feeling and her voice was clear and sweet. The "cello solo, "Intermezzo" from Cavaleria Rusticana" was very beautifully rendered by Mr. Surrhynes. Mr. C. A. Miller sang the "Judges Song" from "The Trial by Jury." Mrs. Clark Gaonng sang "Invano," one of Tosti's lovely songs very acceptably and responded to an encore with "Cupid and I." Mrs. Gaonng is one of Oregon City's sweetest singers and is always greeted with applause. Miss Veda Wil-played a Mazurka from Goddard. Miss Williams plays in good style and shows much talent. The instrumental trio, a selection from "The Huguenots" by Miss Draper, and Miss Mattie Draper and Mr. Surrhynes was played with great feeling and much enjoyed by the audience. Last but not least, was the cake walk by Joe Meldrum and Allen Cooke which was simply great.

During the evening valentines and candies were sold and a very toothsome lunch was served. Dancing was then enjoyed until a late hour. The society cleared about \$35 00.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood. All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble.
