Facts

Any article, whatever its merit, must be made known to the public by means of advertising. Advertising, however, though it can do much for a thing, cannot do everything. It may ereate a sale for a time, but in order to insure a lasting demand the thing advertised must have solid worth.

This is the case with Lydia E. Pinkham's Vegetable Compound. It has

solid worth. Women everywhere have learned

this fact, and the result is that there is a lasting and absolutely unequaled Pioneer Chapter No. 28. O. E. S. meets of any remedy for female ills in the the second and fourth Tuesdays in each | world, and this has been the case for

The reason for this is that Mrs. Pinkham claims nothing that she is not entitled to claim. She can do all that she says she can do, and her twenty years of experience make her advice invaluable. Her experience has been not only long but world-wide, and she has helped more women back to health than any one else in the world. These facts should, and do, have immense weight with all sensible women. Remember these are not wild statements but solid facts.

Facts About the Good Being Done by Lydia E. at Red Men's Hall .- N. M. Moody, C. Pinkham's Vegetable Compound in Cases of Change of Life, Bearing-

"I had falling, inflammation and ulceration of the womb; backache, bearing-down pains; was so weak and nervous that I could not do my own work; had sick headache, no appetite, numb spells, hands and feet cold all the time. I had good doctors, but none of them did me any good. Through the advice of a lady friend I began the use of Lydia E. Pinkham's Vegetable Compound, and after taking one bottle I felt greatly relieved, and by the time I had used several bottles was completely cured, so that I could do my work again. I am now passing through the change of me wonderfully. I want every suffer-ing woman to know what your medi-cine has done for me."—Mas. W. M. BULL, New Palestine, Mo.

"Lydia E. Pinkham's Vegetable Compound saved my life and gave back a loving mother to eleven children, which was more than any doctor could have done or any other medicine in the wide world. My trouble was child-bed fever. The third day after my babe was born I took a chill, which was followed by a high fever. I would perspire until my clothes were as wet as though dipped in a tub of water. The chills and fever kept up for three stopped the chills, and the fever also this critical time was forty nine."-LYDIA E. BOUGHER, Etna, Pa.

of Falling of the Uterus Recovered by Lydia E. Pinkham's Vegetable Compound.

"I suffered for fifteen years without finding any relief. I tried doctors, but nothing seemed to do me any good. I had falling of the womb, leucorrhea, pain in the back and head, and those bearing-down pains. One bottle of Lydia E. Pinkham's Vegetable Compound did me so much good that I sent for four more, also two boxes of Liver Pills and one package of Sanative Wash After using these I felt like a new woman."-Mrs. G. A. WINTER, Glidden, Ia., Box 220.

"I was suffering with falling of the womb, painful menstruation, headache, backache, pain in groins, extending into the limbs; also a terrible pain at left of womb. The pain in my back was dreadful during menstruation, and my head would ache until I would be nearly crazy. Lydia E. Pinkham's Vegetable Compound has given me great relief. I suffer no Rosenberg, Tex.

A Grateful Woman Recommends Lydia E. Pinkham's Vegetable Compound to Every Wife and Mother.

"I have taken eight bottles of Lydia E. Pinkham's Vegetable Compound children. I was all run down, had falling of womb with all its distressing symptoms. I had doctored with a good few bottles of your medicine, I was able to do my work and nurse my seven-months'-old babe. I recommend your medicine to every wife and mother. Had I time, I could write much more in its praise. I bid you Godspeed in your good work."—Mrs. L. A. Morris, Welaka, Putnam Co., Fla.

" DEAR MRS. PINKHAM-When I commenced the use of your remedies I was very badly off. Every two weeks I was troubled with flowing spells which made me very weak. I had two of the best doctors, but they did not seem to help me. They said my trouble was caused from weakness and was nothing to worry about. I felt tired all the time; had no ambition I was growing worse all the time until I began the use of Lydia E. Pinkham's Vegetable Compound. I am now able to help about the house, and am much improved in health."—Mrs. A. WALKER, Callicoon Depot, N. Y.

Directory Flends.

A man with a grip entered a down town drug store and asked permission to look at the city directory. He was so long about his search that one of the clerks got to watching him, and not without results. The man was apparently looking through the business indexes at the back of the book, and whenever he came to a page he fancled be cut it out with a deft movement, barely detectible. The clerk called the proprietor, and between them they saw him cut no less than five pages from the book.

Then the proprietor beckoned to a policeman just outside the window and went up to his customer.

"Got through with the book?" he

"Yes, quite," was the reply. "Much obliged. Is there any charge?" "Yes; the usual charge," said the drug store man. "Eight dollars,

The man looked at the proprietor, took in the policeman and without a

If it should be asked what possession I most valued, I would say some beautiful memory. Memory is possession. It is the only thing on earth that is absolutely ours, which no one can take from us. We can produce and enjoy it in a crowd of uncongenial people as easily as if we were alone. No polse can drown its voice; no distance can dim its clearness. Strength, hope, beauty, everything else, may pass. Memory will stay.
