THE MAYOR'S VETO.

Leaves the Big Bluff Road With \$1,000 to its Credit.

At the last meeting of the city council the following ordinance was passed: The repeal of the ordinance, No. 238, entitled, "An ordinance providing for the location and construction of a public road in Oregon City from the westerly line of the O. & C. R. R. Company's right of way on Third street, to what is known as the bluff, following the bluff as near as practicable and ascending the same in a southerly direction to the westerly end of Seventh street, or southerly limits of the city." passed June 9, 1899, was read for the second time and passed. This ordinance carried with it an appropriation of \$1000.

This is the road leading from the south end of the city up the big bluff, and which has been the bone of contention in the council chamber for the past year. The repeal of this ordinance was a cruel blow to the promoters of the road, but when Mayor Latourette signed the veto last Monday morning it placed the road back in its original position so far as the city is concerned, and it still has a \$1000 appropriation to its credit.

The champions of the proposed road claim it was a complete victory for their side, as there will be no means of passing the repealing ordinance over the mayor's veto. It requires a two-thirds majority, which the opposition cannot muster.

The decisions of the judges, gave universal satisfaction, and all who participated expressed themselves as highly pleased with the evening's sport. The parade concluded with a game of indoor baseball between Salem and Oregon City, the former winning by a score of 13 to 3. The prizes were awarded as follows: first prize, gold medal, Miss Jennie Waldron; second prize, coaster brake, J. G. Waldron; third prize, bicycle lamp, Ross Farr; fourth prize lemonade set, Fierle Traglio; fifth prize cyclometer, Paul Traglio.

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y.
