QUAY SENT HOME

Clark, of Montana, Will Resign and Try for Re-Election.

GOVERNOR TAYLOR INDICTED.

Democrats Will Attempt to Force Admiral Schley on the Ticket With Bryan.

WASHINGTON, April 24.—Hon. Matthew S. Quay was today refused a seat in the United States Senate on the appointment of the Governor of Pennsylvania, by a vote of 33 to 32.

Clark Will Resign.
New York, April 24.—The Herald says:

William A. Clark, of Montana, will resign his seat in the United States Senate. The communication by which he will make known to the senate his intentions has already been prepared. It may be held until late in the session, but it will be handed in before the senate has acted upon the report of the committee on privileges and elections declaring that he was not duly and legally elected. It is known that Senator Clark has come to the conclusion that the most dignified course for him to pursue is to withdraw gracefully and go before the people of his state with a request that they give him a vote of confidence and again send him to Washington.

GOVERNOR TAYLOR INDICTED.

Humor That he is Charged With Connection With Goebel Murder.

FRANKFORT, Ky., April 19.—It is persistently reported here tonight that Governor Taylor has been indicted by the grand jury, and that the indictment was returned this morning, along with those of Captain Davis and Green Golden, but that this indictment will not be given out until Governor Taylor returns from Washington. The indictments returned against John W. Davis and Green Golden charge them with being accessories to the murder of Governor Goebel. Green Golden is a cousin of Wharton Golden, who turned state's evidence. John Davis was the policeman on Capitol Square who tried to escape from Frankfort with Caleb Powers.

NEW YORK, April 19.—John G. Carlisle, ex-Secretary of the Treasury, said last evening that he had been asked by Governor Taylor's counsel to appear for him in the United States Supreme Court in the Kentucky appeal, but he had declined to do so because he was too busily occupied with other matters.

LOS ANGELES, April 19.—A strange story comes from the Philippines to the effect that General Lawton felt a victim to the bullet of an American traitor and renegade named Alfred G. Waller, alias Hamilton Howard, a deserter from the First California regiment. The information comes in a letter from Wendell McLaughlin, who went from this city to Manila some months ago as official stenographer to the Naval Construction Bureau.

TOO LATE TO FILE.

Their Only Chance to Get on the Official Ballot is by Petition.

SALEM, Or., April 24.—John C. Young, regular people's party nominee for congress from the First District, today presented his certificate of nomination at the secretary of state's office for filing. It was returned to him without filing, on the ground that it was too late, the time for filing having expired April 19. H. E. Courtney and W. M. Ramsey, nominees for supreme judge on regular people's and democratic party tickets, respectively, have not filed the acceptances. None of these gentlemen, therefore, are entitled to have their names appear upon the official ballot. There is yet time, however, to make legal nomination by petition, which it is probable will be done in these cases.

MANY REBELS KILLED.

Insurgents Lost 333 in Killed in Two Days in Northwestern Luzon.

WASHINGTON, April 24.—General Otis has cabled the following account of recent engagement in the Philippines:

"Manila, April 24.—Early on the morning of the 7th, several hundred Tagalos and Visayans attacked a battalion of the Fortieth Infantry at Cagayan, on the north coast of Mindanao. Our casualties were two killed, 11 wounded; enemy's loss, 83 killed, 18 wounded and captured in the city, besides other losses suffered on retreat.

"Young reports from Northwestern Luzon that several hundred natives, influenced by Aguinaldo's Bishop, Aglipak, attacked his troops at several points, and in turn had been attacked. Their loss in the attack on Patoc, the 15th, was 106 killed, and during the entire fighting from the 15th to the 17th 333 killed. Our loss during the period was two killed.

KISSED THE BIG GIRLS.

The Patrons of the Schools Ask That His Certificate be Revoked.

HILLSBORO, Or., April 19.—A sworn complaint, signed by N. P. Oakerman and 11 other patrons of School District No. 29, directed against U. S. McHargue, the principal of the Reedville school, was today forwarded to the State Department of Public Instruction, at Salem, asking that the teacher's certificate be revoked. The petition alleges that McHargue has been guilty of gross misconduct, and that during school hours he has been guilty of kissing the older girls, much "to their disgust and annoyance"; and, further, that owing to this conduct, many of the larger girls are remaining away from school. McHargue is charged with voting at a school meeting at a January session, while his name does not appear on the tax-roll for 1899. One singular statement in the complaint is the allegation that at the March school meeting the principal accused one of the complainant's of "killing his (complainant's) eldest son." For these charges and others of like nature, the petitioners ask that the state certificate of McHargue be revoked.

NEW YORK, April 24.—Following is a summary of the replies from 23 democratic national committeemen to the Journal and Advertiser's "Questions regarding the campaign issues and candidates":

Anti-imperialism as a leading issue, 21; anti-trust as a leading issue, 21; money question as a leading issue, 16; anti-militarism as a leading issue, 6.

Dewey's candidacy not taken seriously, 11; Dewey's candidacy would not hurt Bryan, 12.

Bryan by acclamation, 8; Bryan unanimously or on first ballot, 13.

Admiral Schley for vice-president, 2; no personal choice for vice-president, 16; Cummings, Sulzer, Van Wyck, Williams Pattison and Daniel each 1.

In the matter of the report of viewers on the petition of G. A. Arndt et al for a county road—In the matter of the report of Charles Wilson, Ed Schmitt and A. Breamer, viewers appointed at the last term of this board to view and locate a county road situated in Clackamas county, Oregon, described as follows: Beginning at a fir post 7 inches in diameter, 4 feet out of ground firmly set, marked E I P T (road initial point), the same being a post supporting the railing along the graded approach to the bridge across Pudding river at Aurora near the foot of the hill, from which a fir 36 inches in diameter bears north 17 degrees east 306 links distance, marked E I P T, a cedar 5 inches in diameter bears south 17 degrees 30 minutes east 59 links distance, marked E I P T; thence I run north 17 degrees 40 minutes east 4.71 chains; thence north 35 degrees west 4.93 chains; thence north 13 degrees 42 minutes west 6.57 chains; thence north 35 degrees west 2.54 chains; thence north 27 degrees 30 minutes east 1.69 chains; thence north 32 degrees west 3.98 chains; thence north 33 degrees 30 minutes east 55.28 chains; thence north 33 degrees 30 minutes east 14.36 chains; thence north 89 degrees 45 minutes east to an iron rod; thence north 47 degrees 6 minutes east parallel to center line of Oregon and California railway and 30 feet distant from north line of right of way of same, the same being the division line of lands owned by Mrs. W. W. Irvin and said railroad company, to its intersection with the Canby and Barlow road, to an iron rod. Said viewers filed their report, showing that they had met March 26th, 1900, a day named in the notice served upon them, and were duly sworn by subscribing to a written oath of office administered by John W. Meldrum, the deputy county surveyor, after which they proceeded to the designated place and did view and cause to be surveyed by said county surveyor the above described road. They also filed the field notes and plat of the survey. Said viewers report favorably to the establishment of said road as viewed and surveyed, for the reason that it is a good, practical route and of public utility. Said report was read on yesterday, and now on this day on its second reading, and it appearing to the board that there is a claim of petition for damages in case said report is accepted, by Lydia B. Irvin for \$300, Wm Irvin for \$100, Mary A. Brackett for \$500, J. E. Fry for \$500, David Will, executor of the estate of M. Will, for \$250; therefore, it is ordered by the board that John Shaver, P. A. Baker and Charles Baker be appointed viewers of damages, to meet on the premises of _____, on Monday, April 30, 1900, at 10 o'clock a. m., and after being duly sworn, that they view the whole distance through the lands of Lydia B. Irvin, Wm Irvin, Mary A. Brackett, J. C. Fry and David Will, executor of the estate of M. Will, and determine, if any, how much less valuable their lands would be by reason of the location and opening of said road, and report the same in writing at the next
