THE WAY TO WIN A WOMAN.

A man must fight to win a woman. It is not a easy task with rapists that he must engage in. Sometimes it is a struggle which on the surface appears to be far more peaceful than any battle at arms. It isn't the soldier only who must be brave. Men need courage to succeed anywhere in life. A mechanic or a farmer needs "grit" in his soul as well as on his hands. In whatever line of work a man is called upon to make his way in the world he must show pluck and steady, persevering determination if he expects to win and hold a worthy woman's affection.

A woman judges a man from appearances. If he is energetic and forcible she doesn't always stop to reason why. She

looks like the Spanish senorita at her window and applauds the man who fights bravely. He may win, he may lose; but he must never flag; he must fight to the end, he must win, or he must die. He may make a bad showing when he really isn't to blame. It is common to say of a man who is timid and incapable that he is "white livered." Sometimes this is literally true, yet not any reproach to a man either. Many a man with a brave, willing heart, for his work acts at times like a "quitter," just because his liver is out of order. It is the commonest kind of a disease.

A man doesn't know what is the matter with him; he feels all the strength and energy oozing out of him; he can't work; he can't eat; he can't sleep; he can't even think clearly; he loses heart and courage and flesh; pretty soon he feels it in his lungs. The doctors call it consumption and prescribe lung specifics. But what the man needs is a medicine to go deep down into the foundations of the trouble; clear the poison out of his blood; wake up his liver, purify, revitalize and build up his system from the foundation stone. He needs Dr. Pierce's Golden Medical Discovery which has cured innumerable cases of obstinate liver complaint which the doctors diagnosed as hopeless consumption.

The work of this masterful "Discovery" begins at the very corner stone of life in the stomach and nutritive organism. It gives appetite, nourishment, rich blood, healthy, solid flesh. A cough is only a symptom; there are other things that make the cough; they must be got rid of first, the cough may be the last thing to go away. Dr. Pierce's marvelous "Discovery" isn't a lung specific; but it does more than any such specific can ever do. It sweeps out of the blood all the foul disease germs that lodge in the lungs and originate consumption; it heals and builds up the delicate tissues and imbues the entire system with strength and active energy.

The fact is well established that the "Golden Medical Discovery" cures weak lungs, bleeding from lungs, obstinate, lingering coughs, laryngitis, bronchitis, throat disease, and kindred affections of the air passages, which, if neglected or badly treated, lead up to consumption. Many thousands of well established cures of such cases are reported by the most trustworthy citizens. Many of these cases had been pronounced consumption—and incurable—by the best local physicians before the sufferers commenced the use of Dr. Pierce's Golden Medical Discovery.

Dr. Pierce's Favorite Prescription is recognized everywhere as the greatest of nerve and strength builders for weak and ailing women. His "Pleasant Pellets" are acknowledged as the most perfect natural laxative ever prescribed. Out of his lifetime experience as a practicing physician and professor of physiology, Dr. Pierce has compiled a wonderful thousand-page book, illustrated with over 700 drawings and several colored plates. It is entitled the People's Common Sense Medical Adviser, and is a complete family medical library in one volume. Nearly seven hundred thousand copies were sold at \$1.50 each. Dr. Pierce considered the profit on this sale warranted him in issuing a free edition, and a paper-bound copy will now be sent absolutely free for the bare cost of mailing, 21 one-cent stamps, or in heavier French-cloth covers for 31 stamps. Address World's Dispensary Medical Association, 663 Main Street, Buffalo, N. Y. Only one copy will be sent to one family. It should be in every family in the land.

BOARD OF COMMISSIONERS. (Continued from page five)

\$2500, to aid in the construction and completion of that certain road from the lower Clackamas bridge to the Hatchery bridge and asking the board to subscribe an amount equal to the amount said last named committee shall ultimately raise to aid in the construction and completion of said last named road, not less than \$2500, however. And it appearing to the satisfaction of the board that the roads hereinbefore asked to be improved constitute one main thoroughfare and would when completed make a modern road ten miles long leading from the market center to a large and prosperous section of the county, and the board being fully advised, it is ordered, adjudged and decreed that the prayer of petitioners be granted, and an amount of money is hereby set aside out of the road fund to aid in the construction of said roads equal to the aggregate of the subscriptions now presented to the board. That is to say: The board will set aside an amount of money equal to the Logan subscription to aid in the construction of the road in that neighborhood and an amount of money equal to the Oregon City subscription to aid in the construction of the road from the lower Clackamas bridge to the Hatchery bridge. And it further appearing to the board that the citizens of Eagle Creek, George and Garfield precincts are engaged in an attempt to raise the sum of \$3000 by private subscription to aid in the construction and completion of the road from the Hatchery bridge to Barghardt's mill, and it appearing also that said road is the main thoroughfare leading from the market center out into those precincts and is an improvement of very great importance, it is therefore ordered, adjudged and decreed that when the people of the last three named precincts raise their total subscriptions to an aggregate of \$3000 this board will set aside an equal amount and enter upon the improvement of said road. It is ordered that all the road improvements be and the same are hereby given in charge of W. H. Connell, the roadmaster of this county, who is hereby directed to at once enter upon said improvements and prosecute the same to completion or until the money herein provided for is expended.

A WOMAN'S MISTAKE

It is a well-known fact that Lydia E. Pinkham's Vegetable Compound has cured more women than any other remedy. It therefore must be the best possible medicine for female ills. But some women make the mistake of thinking that they will try something else, simply because it is new. That mistake is often a fatal one—fatal to the health and happiness of the experimenter. Is it not foolish to risk the possible results of such experiments? Is it not better to depend upon a medicine which has been tried successfully for thirty years, and which has never been found wanting? Do not therefore let any one persuade you to try something which they say is just as good. It cannot be just as good. Mrs. Pinkham's Compound is the best, and there can be only one best. This is not a mere assertion, but is a positive fact, admitted by hundreds of regular physicians. Rely on your own common sense, and Mrs. Pinkham's life-long experience, and you will make no mistake. Don't experiment with your health, but take a medicine that you know is good, and is backed by such letters as these to Mrs. Pinkham:

Suppressed and Painful Periods Cured by Lydia E. Pinkham's Vegetable Compound.

"I was thin, sallow and nervous. I had not had my menses for over a year and a half. Doctored with several physicians in town and one specialist, but did not get any better. I finally decided to try your medicine, and wrote to you. After I had taken three bottles of Lydia E. Pinkham's Vegetable Compound and three of Blood Purifier, my menses returned, and I feel as well and strong as I ever did, and am gaining flesh."—MISS LENA GAINES, Visalia, Tulare Co., Cal.

"Before taking the Vegetable Compound I was troubled with irregular menstruation, and suffered great agony. My physician gave me morphine, and I remained in bed. I doctored eight years and got no relief, and the doctors told me there was no relief for my trouble. Finally I tried Lydia E. Pinkham's Vegetable Compound. While taking the first bottle I felt that I was improving. I have taken seven or eight bottles, and never had anything to do me so much good. Every month my troubles have grown less and less, and now at this time I am cured."—ELLA QUINCY, No. 23 Stage Street, Haverhill, Mass.

Ovarian Troubles Always Yield to Lydia E. Pinkham's Vegetable Compound.

"I had been in poor health for twenty years, having inflammation of ovaries and womb trouble. Although treated by physicians, I could not gain strength nor do my work, and was so low-spirited and tired of life. A friend advised me to take Lydia E. Pinkham's Vegetable Compound. The first bottle strengthened me, and I wrote to you. After taking six bottles can say that I am well and can even do my own washing."—MRS. M. W. MILLER, No. 1033 Canal Street, New Orleans, La.

"For three years I suffered with ovarian trouble, having inflammation and an abscess on right ovary. Had such pain in my back and head, and at times was unable to walk. Had several doctors, but they did not do me much good. One doctor said that I would have to have an operation and have the ovary removed. I became discouraged and gave up all hopes of getting well. I began taking Lydia E. Pinkham's Vegetable Compound. I wrote to Mrs. Pinkham and followed her directions faithfully, and am better than I have been for three years. I have taken ten bottles, and my friends are surprised at my rapid improvement."—MRS. W. H. WALTERS, Cold Spring Harbor, L. I., N. Y.

Backache and Womb Troubles Succumb to Lydia E. Pinkham's Vegetable Compound.

"I have been for ten years an invalid with female weakness, and the torture and pain I suffered no tongue can tell. I never spent one week in the ten years that I was free from pain. My trouble was inflammation and congestion of womb. When I commenced to take your remedy I had been bedfast for some time under the treatment of two of the best physicians in Illinois without receiving any benefit. You can imagine the benefit I derived from Lydia E. Pinkham's Vegetable Compound when I tell you that I have gained forty pounds and am well—a thing I never dared to expect."—MRS. C. E. FOLAND, Monett, Mo.

"For a number of years I was troubled with backache and leucorrhoea. I became so weak and miserable that I could not attend to my work or studies. The least effort would completely exhaust me. Physicians failed to help me. I felt that my youth was blighted, and the life before me would be one of suffering and misery. Then a friend insisted on me taking your medicine. Before I had used one bottle I was greatly relieved. I had not known a well day for four years, but now I feel better than I have since a child, and it is all due to Lydia E. Pinkham's Vegetable Compound."—MRS. MARY B. STEVENSON, Alliance, O.

A Minister's Mistake. A city minister was recently handed a notice to be read from his pulpit. Accompanying it was a clipping from a newspaper bearing upon the matter. The clergyman started to read the extract and found that it began: "Take Kemp's Balsam, the best Cough Cure." This was hardly what he had expected and, after a moment's hesitation, he turned it over, and found on the other side the matter intended for the reading.
