CHAMPION.... Mowers and Binders

Give best satisfaction of any. Read what some of your neighbors in Clackamas County say about them.

No Other Binder Like the Champion.
Rockwood, Oregon, Oct. 23, 1898.
MITCHELL, LEWIS & STAVERR CO.,
Portland, Oregon.
GENTLEMEN—I feel pleased with my
new Champion Binder I bought of you
the past season. It does all you claimed
it would do. I have cut grain for men
owning Osbornes, Buckeyes, Woods
Binders, and got credit where others
have failed. I can positively say that
there is no other binder in my vicinity
like the Champion binder, and in my
estimation the Champion binder has got
a reputation out here, something that no
other binder has got. I think you will
sell a good many Champion Binders next
season, and I hope you will.
J. H. DICKSON.

**Champion Unequaled for Light
Draft, Easy Handling,
and Durability.**
HIGHLAND, Oregon,
Nov. 8, 1898.
MITCHELL, LEWIS & STAVERR CO.,
Portland, Oregon.
GENTLEMEN—I desire to offer this as
my testimonial in behalf of the 6 foot
Champion Binder and Bundle Carrier I
purchased from you this year. For
lightness in draft and ease of operation,
simplicity in construction and durability,
I will say that no machine to my
knowledge is its equal nor near it.
Having cut 150 acres of grain, the ma-
chine did not cause me five minutes' de-
lay, consequently not a cent for repairs.
All the Champion machines put in my
neighborhood have given equally good
satisfaction. In fact, I want no better
machine than the Champion.
FRED SCHAFFER.

Royal

Absolutely Pure BAKING-POWDER

No inferior or impure ingredients are used in Royal for the purpose of cheapening its cost; only the most highly refined and healthful.
Royal Baking Powder imparts that peculiar sweetness, flavor and delicacy noticed in the finest cake, biscuit, rolls, etc., which expert pastry cooks declare is unobtainable by the use of any other leavening agent.

Alum is used in making cheap baking powders. If you want to know the effect of alum upon the tender linings of the stomach, touch a piece to your tongue. You can raise biscuit with alum baking powder, but at what a cost to health!
