## CHAMPION.... Mowers and Binders

Give best satisfaction of any. Read what some of your neighbors in Clackamas County say about them.

Cheerfully Recommends the Champion.

Highland, October 25, 1898.

MITCHELL, LEWIS & STAVER CO.

Portland, Oregon.

Gentlemen:—I have one of your Champion Binder bought of you the past season has given me good satisfaction, and am well pleased with it. We can cut grain that another make of machine would not handle. All the farmers we cut for are more than pleased with the work, and have promised us their entire cutting for another year. Can cheerfully recommend the New Champion Binder to my friends, acquaintances and fellow farmers who expect to buy binders in 1899.

G. WALLACE.

Delighted in cutting with the Champion Where Others Failed.

Oregon City, Ore., Nov. 15, 1898.

MITCHELL, LEWIS & STAVER CO.

Portland, Oregon.

Gentlemen:—I have one of your Champion Haymaker Mowers, bought of you last year, and am pleased to say that I tried the machine thoroughly in all particulars and do not find it wanting in any respect. It will cut anything anywhere and on any kind of ground. I took delight in cutting grass with my Haymaker that owners of other machines could not and would not cut with theirs.

The Champion Haymaker is all that any man can ask for in a mowing machine.

JOHN SHAFFER.

The forts on both sides of Taku are now occupied. The Chinese opened fire unexpectedly. The casualties to the mixed force were as follows:

"Killed—British, one; German, three; Russian, one, and French one."

"Wounded—British, four; German, seven; Russian, 45, and French, one."

"Chinese torpedo boats were seized."

The Shanghai correspondent of the Daily Mail telegraphing yesterday, says:

"The forts began firing in obedience to the orders from Pekin, conveyed in the personal edict of the Empress Dowager, by advice of Kang Yi (President of the Ministry of War). Several warships were struck by shells from the 12-inch guns of the forts. The heavy Russian losses were due to the blowing up of the magazines of Mandshur."

"Four hundred Chinese are reported killed. The Chinese, who were retreating, fell into the hands of the Russian land force."

"Two of the forts were blown up. The 32 warships at Taku aggregated 200,000 tons, and carried more than 300 guns."

## MACAND ROOSEVELT

For President and Vice-President of the United States.

### CHINA AGAINST THE WHOLE WORLD

Fires on Foreign Legations and Breaks Peace With all Other Nations.

PHILADELPHIA, June 21.—For the first time in the history of the nation, two candidates have received the nomination for president and vice-president of the United States by acclamation.

Convention called to order at 10 a.m. by Chairman Lodge, Archbishop Ryan making opening prayer.

Alabama yields floor to Ohio, and Senator Foraker nominates Wm. McKinley for president of the United States amid tremendous applause.

McKinley nominated by acclamation at 12:46 p.m.

Roosevelt nominated for vice-presidency received 925 votes, one delegate refused to vote—Roosevelt himself.

Roosevelt nominated by acclamation.

LONDON, June 18.—China declared war against the world when the Taku forts opened fire upon the international fleet. The accounts of what took place are still unsatisfactory, the best semi-official information being the dispatch received at Berlin from Che Foo.

The unofficial narratives coming by way of Shanghai vary and bear evidence of supplementing the main facts with guess work. One dispatch says that the Yorktown participated in the bombardment. Another asserts that American marines formed part of the storming force of 2000. An Associated Press dispatch from Che Foo, dated yesterday afternoon says:

"The forts on both sides of Taku are now occupied. The Chinese opened fire unexpectedly. The casualties to the mixed force were as follows:

"Killed—British, one; German, three; Russian, one, and French one."

"Wounded—British, four; German, seven; Russian, 45, and French, one."

LONDON, June 20, 3 a.m.—The Russian relieving force arrived outside of Pekin this morning, and immediately began to attack the city on two sides, employing numerous artillery. The force apparently arrived in the nick of time, for the Chinese assert that the attack upon the legations had been successfully renewed. The night of June 16 the Chinese troops, under Generals Tu Fu Shiang and Tung Ching, attacked the legations and set on fire five European buildings. Nothing definite is known as to the result, except that the Chinese were disappointed, although other reports, utterly discredited by foreigners here, are that the Chinese infuriated by the destruction of Taku, have since massacred all the foreigners in Pekin.

A modified version of the rumors received at Berlin is that the French as well as the German Minister has been killed.

B. A. Beach, through his attorneys, Dimick & Eastham, has been appointed administrator of the estate of Gussie E. Beach, deceased. The estate is valued at \$300.

The final account of the executors of the John A. Rockwood estate has been filed and accepted, and the bondsmen exonerated.
