Friday evening the electors of Milwaukie school district No. 1 held an interesting meeting at the school building. The main purpose of the gathering was to elect a director to fill the vacancy caused by the death of J G Bonnet. After a spirited contest R Scott was elected to the position.

Following the disposition of the usual business routine the following resolution was unanimously adopted:

"Whereas, The agency of death has removed from our community J G Bonnet, who has been one of our most loyal citizens, serving this school district for 13 consecutive years as a director and de-

voting to it the most painstaking care, therefore be it

"Resolved, That in the death of Mr Bonnett this community regrets the loss of one of its best patriotic citizens; the school district lost a man who was devoted to its interest; a friend of education who made many sacrifices in its service, and to whom the youth of the district are grateful for the many advantages secured for them by his labors, and that our heart-felt sympathy is extended to his widow and family in their bereavement.

"Resolved, that the foregoing preamble and resolution be entered upon the records of the school district; that a copy be sent to the family of the deceased and the county newspapers."

An election of instructors was held after the meeting which resulted in Ira McLaughlin being chosen principal. Mr McLaughlin, while a young man, is universally respected, and has had an abundance of experience in educational work. He is also a patriotic citizen, being a member of the Second Oregon Volunteer Infantry, during their stay in the Philippines.

Miss Minerva Theasing was chosen as the teacher of the intermediate grade. Miss Theasing passed second highest in the teachers' examinations last year. Catherine Casto was elected to the primary department. Her range in school work dates back 12 years. The directors are well pleased with the result of the election and feel that they have an efficient corps of instructors at the school. The board will now consist of F Birkenmerer, chairman; G W Gracie and R Scott. Miss Elvira Mullen is clerk.
