ALL ABOUT CALIFORNIA.

A Handsome Series of New and Useful Publications.

California is the natural paradise of the holiday maker. Its resources are inexhaustible, its invitation universal, and its resorts and attractions among the most noted in the world.

The Southern Pacific Company publishes descriptive literature containing valuable information about all of them. It is for free distribution and may be obtained from any Southern Pacific agent, T. H. Goodman, General Passenger Agent at San Francisco, C. H. Markham, General Passenger Agent at Portland, Ore. If you apply by mail inclose a stamp for each publication.

"Resorts and Attractions Along the Coast Line" is a handsomely illustrated folder, giving a description of the health and pleasure resorts on the coast between San Francisco and Los Angeles.

"Shasta Resorts," embellished with beautiful half-tone engravings, describes the scenic and outing attractions of the vast and wonderful Shasta region, the grandest of pleasure grounds. "California South of Tehachapi" tells all about the charms of that remarkably favored semi-tropic garden spot, Southern California.

A handsome map of California, complete in detail, reliable, skillfully indexed, and full of information about the state's resources. It is the only publication of its kind conveniently folded for pocket use.

"Summer Outings" is a 32-page folder devoted to the camping retreats in the Shasta Region and Santa Cruz Mountains. It appeals more directly to that large and growing class of recreation seekers who prefer this popular form of outing.

"Pacific Grove" is the Chautauqua of the West, and this folder not only describes the pretty place itself, but gives a program of the religious and educational meetings, conventions, schools, etc. to be held there this summer.

Other publications are "Lake Tahoe," "Geysers and Lake County," "Yosemite," "Hotel del Monte," "Castle Crags," each brimful of information about the places named, and printed in the highest style of the art.
