#### Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste impurities in the blood. If they are sick or out of order, they fall to do

their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected

Midney trouble. Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys,

but now modern science proves that nearly all constitutional diseases have their begin ning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kümer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distreand is sold on its merits
