A WOMAN'S MISTAKE

It is a well-known fact that Lydia E. Pinkham's Vegetable Compound has cured more women than any other remedy. It therefore must be the best possible medicine for female ills.

But some women make the mistake of thinking that they will try something else, simply because it is new. That mistake is often a fatal one—fatal to the health and happiness of the experimenter.

Is it not foolish to risk the possible results of such experiments? Is it not better to depend upon a medicine which has been tried successfully for thirty years, and which has never been found wanting? Do not therefore let any one persuade you to try something which they say is just as good. It cannot be just as good. Mrs. Pinkham's Compound is the best, and there can be only one best. This is not a mere assertion, but is a positive fact, admitted by hundreds of regular physicians.

Rely on your own common sense, and Mrs. Pinkham's life-long experience, and you will make no mistake. Don't experiment with your health, but take a medicine that you know is good, and is backed by such letters as these to Mrs. Pinkham:

Suppressed and Painful Periods Cured by Lydia E. Pinkham's Vegetable Compound. "I was thin, sallow and nervous. I had not had my menses for over a year and a half. Doctored with several physicians in town and one specialist, but did not get any better. I finally decided to try your medicine, and wrote to you. After I had taken three bottles of Lydia E. Pinkham's Vegetable Compound and three of Blood Purifier, my menses returned, and I feel as well and strong as I ever did, and am gaining flesh."

"Before taking the Vegetable Compound I was troubled with irregular menstruation, and suffered great agony. My physician gave me morphine, and I remained in bed. I doctored eight years and got no relief, and the doctors told me there was no relief for my trouble. Finally I tried Lydia E. Pinkham's Vegetable Compound. While taking the first bottle I felt that I was improving. I have taken seven or eight bottles, and never had anything to do me so much good. Every month my troubles have grown less and less, and now at this time I am cured."

Ovarian Troubles Always Yield to Lydia E. Pinkham's Vegetable Compound. "I had been in poor health for twenty years, having inflammation of ovaries and womb trouble. Although treated by physicians, I could not gain strength nor do my work, and was so low-spirited and tired of life. A friend advised me to take Lydia E. Pinkham's Vegetable Compound. The first bottle strengthened me, and I wrote to you. After taking six bottles can say that I am well and can even do my own washing."

"For three years I suffered with ovarian trouble, having inflammation and an abscess on right ovary. Had such pain in my back and head, and at times was unable to walk. Had several doctors, but they did not do me much good. One doctor said that I would have to have an operation and have the ovary removed. I became discouraged and gave up all hopes of getting well. I began taking Lydia E. Pinkham's Vegetable Compound. I wrote to Mrs. Pinkham and followed her directions faithfully, and am better than I have been for three years. I have taken ten bottles, and my friends are surprised at my rapid improvement."

Backache and Womb Troubles Succumb to Lydia E. Pinkham's Vegetable Compound. "I have been for ten years an invalid with female weakness, and the torture and pain I suffered no tongue can tell. I never spent one week in the ten years that I was free from pain. My trouble was inflammation and congestion of womb. When I commenced to take your remedy I had been bedfast for some time under the treatment of two of the best physicians in Illinois without receiving any benefit. You can imagine the benefit I derived from Lydia E. Pinkham's Vegetable Compound when I tell you that I have gained forty pounds and am well—a thing I never dared to expect."

"For a number of years I was troubled with backache and leucorrhoea. I became so weak and miserable that I could not attend to my work or studies. The least effort would completely exhaust me. Physicians failed to help me. I felt that my youth was blighted, and the life before me would be one of suffering and misery. Then a friend insisted on me taking your medicine. Before I had used one bottle I was greatly relieved. I had not known a well day for four years, but now I feel better than I have since a child, and it is all due to Lydia E. Pinkham's Vegetable Compound."

Mrs. C. E. Foland, Monett, Mo. "I have been for ten years an invalid with female weakness, and the torture and pain I suffered no tongue can tell. I never spent one week in the ten years that I was free from pain. My trouble was inflammation and congestion of womb. When I commenced to take your remedy I had been bedfast for some time under the treatment of two of the best physicians in Illinois without receiving any benefit. You can imagine the benefit I derived from Lydia E. Pinkham's Vegetable Compound when I tell you that I have gained forty pounds and am well—a thing I never dared to expect."
