Facts for Women

Any article, whatever its merit, must be made known to the public by means of advertising. Advertising, however, though it can do much for a thing, cannot do everything. It may create a sale for a time, but in order to insure a lasting demand the thing advertised must have solid worth. This is the case with Lydia E. Pinkham's Vegetable Compound. It has solid worth. Women everywhere have learned this fact, and the result is that there is a lasting and absolutely unequalled demand for it. It has the largest sale of any remedy for female ills in the world, and this has been the case for years. The reason for this is that Mrs. Pinkham claims nothing that she is not entitled to claim. She can do all that she says she can do, and her twenty years of experience make her advice invaluable. Her experience has been not only long but world-wide, and she has helped more women back to health than any one else in the world. These facts should, and do, have immense weight with all sensible women. Remember these are not wild statements but solid facts.

Facts About the Good Being Done by Lydia E. Pinkham's Vegetable Compound in Cases of Change of Life, Bearing-Down Pains, Etc.

"I had falling, inflammation and ulceration of the womb; backache, bearing-down pains; was so weak and nervous that I could not do my own work; had sick headache, no appetite, numb spells, hands and feet cold all the time. I had good doctors, but none of them did me any good. Through the advice of a lady friend I began the use of Lydia E. Pinkham's Vegetable Compound, and after taking one bottle I felt greatly relieved, and by the time I had used several bottles was completely cured, so that I could do my work again. I am now passing through the change of life and using your Compound. It helps me wonderfully. I want every suffering woman to know what your medicine has done for me."—Mrs. W. M. BULL, New Palestine, Mo.

"Lydia E. Pinkham's Vegetable Compound saved my life and gave back a loving mother to eleven children, which was more than any doctor could have done or any other medicine in the wide world. My trouble was child-bearing fever. The third day after my babe was born I took a chill, which was followed by a high fever. I would perspire until my clothes were wet as though dipped in a tub of water. The chills and fever kept up for three days. My daughter got me a bottle of your Compound. The fourth dose stopped the chills, and the fever also disappeared. My life was saved. My age at this critical time was forty-nine."—LYDIA E. BOURGAIN, Etina, Pa.

Facts About Two Cases of Falling of the Uterus Recovered by Lydia E. Pinkham's Vegetable Compound.

"I suffered for fifteen years without finding any relief. I tried doctors, but nothing seemed to do me any good. I had falling of the womb, leucorrhoea, pain in the back and head, and those bearing-down pains. One bottle of Lydia E. Pinkham's Vegetable Compound did me so much good that I sent for four more, also two boxes of Liver Pills and one package of Sensitive Wash. After using these I felt like a new woman."—Mrs. G. A. WINTER, Glidden, Ia., Box 220.

"I was suffering with falling of the womb, painful menstruation, headache, backache, pain in groins, extending into the limbs; also a terrible pain at left of womb. The pain in my back was dreadful during menstruation, and my head would ache until I would be nearly crazy. Lydia E. Pinkham's Vegetable Compound has given me great relief. I suffer no pain now, and I give your medicine all the praise."—Mrs. J. P. McSPADEN, Rosenberg, Tex.

A Grateful Woman Recommends Lydia E. Pinkham's Vegetable Compound to Every Wife and Mother.

"I have taken eight bottles of Lydia E. Pinkham's Vegetable Compound with most gratifying results. I had been married four years and had two children. I was all run down, had falling of womb with all its distressing symptoms. I had doctored with a good physician, but I derived very little good from his treatment. After taking a few bottles of your medicine, I was able to do my work and nurse my seven-months-old babe. I recommend your medicine to every wife and mother. Had I time, I could write much more in its praise. I bid you Godspeed in your good work."—Mrs. L. A. MORRIS, Welaka, Putnam Co., Fla.

"DEAR MRS. PINKHAM—When I commenced the use of your remedies I was very badly off. Every two weeks I was troubled with flowing spells which made me very weak. I had two of the best doctors, but they did not seem to help me. They said my trouble was caused from weakness and was nothing to worry about. I felt tired all the time; had no ambition. I was growing worse all the time until I began the use of Lydia E. Pinkham's Vegetable Compound. I am now able to help about the house, and am much improved in health."—Mrs. A. WALKER, Callico Depot, N. Y.
