News of the Week

Friday, Sept. 14.

Mayor Jones, of Galveston, asserts that the number of deaths due to the recent storm will be no less than 5000.

From all parts of the United States and some parts of Europe, money, clothing and provisions are pouring into Houston to relieve destitution in the storm-stricken districts.

Postoffice Inspectors M. H. Flint and H. B. Hall have returned from Honolulu, where they have been for the past three months orgainsing a postoffice system throughout the islands. They established 81 offices, and the profits for two months and 17 days were \$17,50 ...

It is said that none of the present members of the cabinet, except Secretary Root and Secretary Wilson, will continue in the next administration if McKinley is elected. It is thought that Root will be made secretary of state, as he has taken considerable interest in for-

Galveston may be rebuilt on a diffe :ent site less liable to the onslaughts of the gulf of Mexico than the flat, sandy island which has twice been denud-

wind and water. It is rumored that the Southern Pacific company will head a miles to the southwest of its present location, at the mouth of the Brazos river.

The Japanese have arrested the assasin of Baron von Ketteler, the late German minister to China. The assassin, who has been handed over to the Germans by the Japanese, has confessed his · guilt. He was arrested for trying to sell to a Japanese officer a watch with initials, which he admitted taking from the body of Baron von Ketteler. He afterwards admitted the crime, saying that the imperial government ordered the commission of the crime.
