M'KINLEY WILL WIN

A Poll of the Union Gives Him 258 Electoral Votes.

CROKER TO CONTROL PATRONAGE

An Attempt Made on the President's Life—Rebels Capture Captain Shields and 51 Men.

WASHINGTON, Oct. 1.—The New York Herald publishes a poll of states today, showing: McKinley, 258 votes; Bryan, 168; and doubtful, 21. The doubtful states are Indiana, Montana and Idaho, with the indications that they are more likely to go for McKinley than for Bryan.

The states which voted for Bryan four years ago, and are given as sure to vote for McKinley, are South Dakota, Kansas, Washington and Wyoming. The states which voted for McKinley four years ago and are placed in the Bryan column this year, are Kentucky and Maryland. The Herald says that the poll is made after a most careful investigation by its correspondents in every part of the country. Nothing but a great upheaval, of which there is no sign, could change the result, according to its view.

Oswold Ottendorfer, of the New York Staats Zeitung, has declared against Bryan. He is the most potent German influence in the country, and will probably prevent any wholesale defections of Germans from the republican party.

WASHINGTON, Sept. 29.—More treasonable Filipino correspondence has been captured which shows that the present outbreaks are for the purpose of influencing the elections in the United States. F. Sandico, writing to another man, shows that he is urging all the leaders not to accept anything in the way of peace proposals by the Philippine Commission, but to stand firm. He says: "If the election of Mr. McKinley be accomplished and the revolution in China be wiped out, and the war in the Transvaal take on new complications, then will I be the first to accept the peace that I believe to be necessary, though it be at the cost of acknowledging the sovereignty of the United States. Since I consider that our forces are now impotent to defend our sacred and legitimate rights."

Sandico is the man so often quoted by Pettigrew in behalf of the anti-expansionists.

A letter from the general Philippine junta at Hong Kong, to be distributed among the leading insurgents in the Philippines, contains much more of the same sort, and also much in the way of misrepresentation of the purposes of this government, and urges all Filipinos to submit to no armistice unless it contains a promise of independence.

General Funston has written a letter saying he has captured documents containing instructions transmitted by Aguinaldo to his subordinates to keep up the fight until election, hoping that they may bring about the defeat of McKinley, and saying that their only hope of independence lies in the election of Bryan.

HANNA ON BRYAN.

Says Croker Has Been Promised Patronage of New York.

CLEVELAND, Sept. 30.—Senator Hanna arrived here from New York this morning, and left tonight for Chicago. It is his purpose to return to New York about the middle of October, but he expects to be in Chicago the closing week of the campaign. In an interview, Senator Hanna said he was pleased with the outlook in New York, where things were looking better than a month ago. Referring to his recent interview in this city, in which he was quoted as saying Mr. Bryan had promised to let Richard Croker name one of the men of the cabinet, if elected, Senator Hanna said: "I have never denied that interview. In fact, what I said about Croker and a cabinet position has been substantiated during the past week. I knew what I was talking about when I said that Bryan had promised Croker the naming of one of the cabinet officers. I know that Bryan has promised to let Croker distribute the Federal patronage in New York, and if Bryan is elected, Croker can put ex-Senator Edward Murphy in Bryan's cabinet."

IN HANDS OF REBELS

Captain Shields and Party Captured in Marinduque.

WASHINGTON, Sept. 28.—The war department has received the following cablegram from General MacArthur: "Manila, Sept. 28.—Adjutant-General, Washington: September 11, Captain Devereaux Shields, with 51 men of Company F, Twenty-ninth Regiment United States Volunteer Infantry, and one hospital corps man, left Santa Cruz, Marinduque by the gunboat Villalobos, for Torrijos, intending to return overland to Santa Cruz. Have heard nothing since from Shields. Scarcely doubt that the entire party has been captured with many

killed and wounded, Shields among the latter. Information sent by letter from the commanding officer at Boac, dated 20th, received September 24, consisted of rumors through natives.

"The Yorktown and two gunboats, George Anderson (Colonel Thirty-eighth Volunteer Infantry), with two companies Thirty-eighth Volunteer Infantry, sent to Marinduque immediately. Anderson confirms the first report as to capture, but was unable, on September 27, to give details and present whereabouts of Shields and party, or names of the killed and wounded. His information will probably be available soon. Anderson has orders to commence operations immediately and move relentlessly, until Shields and his party are rescued. Logan will be sent to Marinduque, if necessary, to clear up the situation.

"MCARTHUR"

CHICAGO, Oct. 3.—A special to the Record from Canton, Ohio, says: Information was made public last night that another plot had been discovered to assassinate President McKinley. Detectives connected with the safeguarding of the president say that there are three men either here or on their way to kill the president. Extra policemen have been detailed to enforce an order issued by Mayor Robertson, ex-officio chief of police, which notifies all policemen to keep close watch on all strangers in the city and to be particular to watch for two Italians who will probably be accompanied by an old man.

Mayor Robertson, in speaking about the matter, said:

"The word first came to the secret service department at Chicago. An anonymous letter was received by the United States Secret Service authorities there stating that the three men for whose apprehension we were on the lookout were expected to arrive in Canton during the day. Thus far they have not come, but we are keeping a close watch for them."

Unless the situation changes materially, Maraland will give her eight electoral votes to Bryan, yet that state gave McKinley 22,000 plurality over Bryan four years ago. One year before, Maryland elected a republican governor for the first time. The year McKinley carried the state, the entire delegation of six Congressmen were Republicans. Two years ago, the Republicans elected four, and the Democrats two Congressmen. One year ago, the state went Democratic by about 15,000 on the governorship.

Baking Powder Economy

The manufacturers of Royal Baking Powder have always declined to produce a cheap baking powder at the sacrifice of quality.

The Royal is made from the most highly refined and wholesome ingredients, and is the embodiment of all the excellence possible to be attained in the highest class baking powder.

Royal Baking Powder costs only a fair price, and is cheaper at its price than any similar article.

Samples of mixtures made in imitation of baking powders, but containing alum, are frequently distributed from door to door, or given away in grocery stores. Such mixtures are dangerous to use in food, and in many cities their sale is prohibited by law. Alum is a corrosive poison, and all physicians condemn baking powders containing it.
