Don't Be Duped

These have been placed upon the market several cheap imitations of an abbreviation of Webster's Dictionary. They are being offered under various names at a low price.

By

dry goods dealers, grocers, agents, etc., in a few instances as a premium for orders taken to papers.

Worthless

prints are very misleading; for instance they are advertised to be the latest and equivalent of a higher priced book, when in reality, so far as we know and believe, they are not, from A to Z.

Reprint Dictionaries

phototype copies of a book of over fifty years ago, which in its day was sold for \$1.00, and which was much superior in paper, print, and binding to these imitations, being thus a work of some merit instead of one.

Long Since Obsolete

The supplement of 10,000 so-called "new words," which some of these books are advertised to contain, was compiled by a person who died over forty years ago, and is not published before his death. Other similar additions are probably of more or less value.

The Webster's Unabridged Dictionary

is the only one in the world that is printed in type from cheap imitations. Calculated as this work is, we have at our expense published a thoroughly revised and accurate edition throughout the world. Webster's International Dictionary. As a dictionary lasts a lifetime you should
