Grist of Business Was Disposed of at the Meeting.

The city council met Monday night, pur ette, Recorder Bruce C. Curry, Chief of Albright and Charman, George W. Grace, R. Koerner, J. W. Powell and E. F. Storey.

The report of J. H. Cunningham, sewer engineer, was ordered filed.

A communication was read from Mitchell & Hand, regarding extra compensation for extra work. An argument was made by the contractors as to why filed my final account and report as adthe extra compensation should be all ministrator of the estate of Frank M. lowed. It was moved that a special committee be appointed to confer with that the judge of said court has fixed three councilmen and engineers. The committee will make a report on the result of the conference at the next meeting,

The sewer assessments of sewer district No. 2 were ordered passed. On account of the increased amount in the specifications asked for by the contractors, Mitch- M. Albright, deceased, ell & Hard, it is very probable that a new assessment will have to be made.

The contract was let to Mitchell & Hard, of Scattle at stated rates, under A new engineer was employed, who increased the depth of a portion of the J. H. On taking charge of the To Lina Hawley, the above named defendconstruction of the sewers in sewer dis. ant: trict No. 2, Mr. Cunningham found that the detail plans were incomplete and the detail plans were incomplete and that grades had only been established on 10th day of November, 1900, and niske ansand pass under the culyert.

In order to make the cut on Seventh street as little as possible the grade had to be lowered on Center street by placing a drop manhole at Center and Sixth streets. The grade established by Mr. Kelly on Center street, between Third and Sixth, was less than it should have been, and in order to prevent accumulations of silt, Mr. Cunningham increased the grade enough to ensure a velocity of three feet per second when the pipe is three feet per second when the pipe is the lots five and six (5 & 6), block thirty half full, The grade is now 2% inches two (32), H. L. Yesler's First Addition to per 100 feet; as established by Mr. Kelly it was 1% inches per 100 feet.

The sewer grade was also lowered at Center and Third streets. It is proposed with Birch street, thence southwesterly, to lay a four-inch tile drain in the sewer along said Lake avenue 67.49 feet, thence trench on Third street, to drain the avenue 78.11 feet, thence easterly to the beground water, which congregates there, into the manhole at Third and Center streets.

The necessity of lowering the grade on Center street and the line from Center of the governmental Townsite Associati and Seventh to the bluff increases the in Port Angeles, in Claim county, Washaverage cut from 5.6 to 6.6 feet, The six [26], Lake Park, in Pierce county total amount of extra material, under Mr. Washington; the north half of the southeast Cunningham's improvements, over the southeast quarter of section eight, township Kelly grade line is 162 cubic yards, earth | 38 north, range 2 east, containing five acres, and rock included.
