But there's no need to feel like that. Listen to J. W. Gardner, Idaville, Ind. He says: "Electric Bitters are just the thing for a man when he is all run down, and don't care whether he lives or dies. It did more to give me new strength and good appetite than anything I could take. I can now eat anything and have a new lease on life." Only 50 cents, at Geo. A. Harding's Drug Store. There is no pleasure in life if you dread going to the table to eat and can't rest at night on account of indigestion. Henry Williams of Boonville, Ind., says he suffered that way for years, till he commenced the use of Kodol Dyspepsia Cure, and adds: Now I can eat anything I like and all I want and sleep soundly every night. Kodol Dyspepsia Cure will digest what you eat. George A. Harding.

Southern California.

Notable among the pleasures afforded by the Shasta Route is the winter trip to Southern California and Arizona. Renewed acquaintance with this section will ever develop fresh points of interest and added sources of enjoyment, under its sunny skies, in the variety of its industries, in its prolific vegetation and among its numberless resorts of mountain shore, valley and plain.

The two daily Shasta trains from Portland to California have been recently equipped with the most approved pattern of standard and tourist sleeping cars but the low rates of fare will still continue in effect. Illustrated guides to the winter resorts of California and Arizona may be had on application to C. H. MARKHAM, G. P. A., Portland, Oregon.
