# Our Holiday Readiness.

Months ago we began thinking about the Holiday Stock; were selecting here and there the choicest articles for the least money, buying of the factories direct in most cases to save the middleman's profit; taking the largest possible quantities in order to get the lowest possible prices. Any time after Dec. 1st we want you to visit our stores and see the result of our hard word. We want you to see the stock complete, before the lines are broken up. All goods are marked in plain figures and while looking around you can learn prices. With us it's not a question of how much can we get, but for how little can we sell. That's the way our business has grown-
