There is nothing so bad for a cough as coughing. It tears the tender membrane of the throat and lungs, and the wounds thus made attract the germs of consumption. Stop your cough by using the family remedy that has been curing coughs and colds of every kind for over sixty years. You can't afford to be without it.

Ayer's Cherry Pectoral loosens the grasp of your cough. The congestion of the throat and lungs is removed; all inflammation is subdued; and the cough drops away. Three sizes: the one dollar size is the cheapest to keep on hand; the 50c. size for coughs you have had for some time; the 25c. size for an ordinary cold.

Pity and Beauty

The most beautiful thing in the world is the baby, all dimples and joy. The most pitiful thing is that same baby, thin and in pain. And the mother does not know that a little fat makes all the difference.

Dimples and joy have gone, and left hollows and fear; the fat, that was comfort and color and curve—all but pity and love—is gone.

The little one gets no fat from her food. There is something wrong; it is either her food or food-mill. She has had no fat for weeks; is living on what she had stored in that plump little body of hers; and that is gone. She is starving for fat; it is death, be quick!

Scott's Emulsion of Cod Liver Oil is the fat she can take; it will save her.

The genuine has this picture on it, take no other. If you have not tried it, send for free sample. Its agreeable taste will surprise you. SCOTT & BOWNE, Chemists, 409 Pearl St., N. Y. 50c. and \$1.00 all druggists.
