IT MAKES WOMEN HAPPY.

"I had been a sufferer for many years from nervousness with all its symptoand complications," writes Mrs. O. N.Y. "I was constantly going to see a physician or purchasing medicine. My husband at last induced me to try Dr. Pierce's Favorite Prescription. After taking one bottle and following your advice I was so encouraged that I took five more bottles of 'Favorite Prescription.' I continued taking it and felt that I was improving faster. than at first. I am not now cross and irritable, and I have a good color in my face; have also gained ten pounds in weight and one thousand pounds of comfort, for I am a new woman once more, and your advice and your 'Favorite Prescription' is the cause of it."
