A Painful Accident.

E. G. Shaw, city nightwatch, met with a painful accident on Monday evening about an hour and a half after midnight resulting in fracturing his right leg near the ankle joint. He, in company with Ed Rechner was in front of the building occupied by the Hook and Ladder Company, when without warning he stepped upon a slippery walk at that place and suddenly slipped in such a way as to throw his entire weight upon his right leg and twisted his foot completely backward, breaking both bones in his right leg just above the ankle joint. Dr. Sommer was called immediately and dressed the fracture. The break is severe and painful and Mr. Shaw will in consequence thereof be confined to his room for several weeks.

A New Book for the Youth of Oregon.

Mrs. Eva Emery Dye's "Stories of Oregon" dedicated to the native daughters of Oregon presents in fascinating style the history in detail of the state of Oregon from the discovery of the Pacific to the time of completing the first transcontinental railway across the continent. The book is full of interest, surpassing anything of the kind ever published on Oregon and is admirably arranged to arouse the curiosity of the youth to profitable research into things pertaining to the history, organization and growth of the state of Oregon.

Bound Over in the Sum of \$2000.

Justice O'Donald, of the Silvertown Jus les cour, held Benjamin Ware guilty of arson on the 10th day of December, 1900, and bound him over to the circuit court grand jury in the sum of \$2000, which sum I. Benjamin, the employer of Ware, deposited in court in cash.

The evidence showed that Ware was employed to run the store by J. Benjamin and that recently the business had been insured for more than the property was worth, which gave inducement for burning the stock, and besides, the business had recently failed to be profitable to the manager. Ware had the only key to the burned building and the fire was first discovered in the rear of the building. Ware was notified promptly of the fire, but made no effort to put it out, did not even unlock the doors, though he only had the keys, and while others tried to control the fire he stood aside and smoked a cigar, and a little later hired a team and drove to Woodburn. Muddy footprints corresponding to those of Ware were found on the stairway leading up to Ware's room and his muddy clothing was found in his room. In his value was found the sales book showing light business and a lot of silk handkerchiefs.

In addition to the case of arson, the insurance company is prosecuting a case against Ware for incineration to invalidate the insurance recently taken out on the stock of goods.

The Eminent Kidney and Bladder Specialist.

The Discoverer of Swamp-Root at Work in His Laboratory.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, or the kidneys themselves break down and waste away cell by cell. Then the richness of the blood—the albumen—leaks out and the sufferer has Bright's Disease, the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is the new discovery is the true specific for kidney, bladder and urinary troubles. It has cured thousands of apparently hopeless cases, after all other efforts have failed. At druggists in fifty-cent and dollar sizes. A sample bottle sent free by mail, also a book telling about Swamp-Root and its wonderful cures. Address Dr. Kilmer & Co., Binghamton, N. Y., and mention this paper.

It Has Never Failed

Mr. C. S. Peaslee, the well-known druggist of Morgan City, La., is highly thought of in his neighborhood because of his skill and care in filling prescriptions. The best physicians in the place send their patients to his store whenever they can. Anything which Mr. Peaslee may say can be depended upon absolutely. In a letter to W. H. Hooker & Co., New York City, proprietors of Acker's English Remedy, he says: "In all my many years' experience as a druggist, I have never handled a medicine of any nature that gave such complete satisfaction as Acker's English Remedy for Throat and Lung Troubles. I have sold hundreds of bottles, and have yet to learn of a single case where it failed to cure. In croup, it acts with a certainty that is really marvelous. My wife does not take much stock in medicine, but she has absolute faith in Acker's English Remedy, always having it at her elbow in case the children are attacked by croup at night. It is a positively harmless remedy, as I can personally testify. I know of a little girl who accidentally drank a whole bottle. She was, of course, sick at her stomach for a short time, but the sickness passed away, and then the child was in better health than ever before. I can understand why Acker's English Remedy is so efficacious, because I am a druggist. It is not a mere expectorant, but a strengthening, invigorating tonic as well. While it heals the irritations of the mucous membrane, it also builds up the constitution and purifies the blood. I endorse it absolutely."

Sold at 25c., 50c. and \$1 a bottle, throughout the United States and Canada; and in England, at 1s. 2d., 2s. 3d., 4s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back. We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York. For sale by Geo. A. Harding.
