"From the way my wife coughed for six months, I knew she had consumption. She showed it in her face, too, and her body wasted away to a mere skele-ton. After she got down in bed the doctors couldn't do any good. I called in both Dr. T. A. Shannon and Dr. N. L. Hawsen, each of whom is a first-class

physician, but they had nothing that would reach the trouble in her lungs. My wife's father came to see her one day, when she got very low. He lives in Cedar Lake, Wis., while we live in Rice Lake, Wis. He said he knew what was needed, and made me get a bottle of Acker's English Remedy for Consumption. I went to Schmidt's, our local druggist, and got a bottle, and it helped her right away. She took eight soc. bottles, and they put her back on her feet and made her as sound and well as any woman in town. She has taken on flesh again, she doesn't cough, and if any one who doesn't know the facts was to be told she was so near death with consumption, he wouldn't believe it. My wife does all her housework, and at night sleeps as soundly as you please.

Her stomach no longer gives her any trouble at all. Maybe you doubt what I am telling. If so, I advise you to see J. N. Schmidt, the druggist who sold me Acker's English Remedy for Consumption. He'll tell you the same thing. He says Acker's English Remedy is wonderful in all throat and lung troubles; that it is sold on a guarantee to cure, or money returned, and he never yet had a bottle come back to his store, although he has sold hundreds of them. My name is Luther Bedell, Rice Lake, Wis."
