The claim of other cough medicines to be as good as Chamberlain's are effectually set at rest in the following testimonial of Mr. C. D. Glass, an employe of Bartlett & Dennis Co., Gardner, Me. He says: "I had kept adding to a cold and cough in the winter of 1897, trying every cough medicine I heard of without permanent help, until one day I was in the drug store of Mr. Honlehan and he advised me to try Chamberlain's Cough Remedy and offered to pay back my money if I was not cured. My lungs and bronchial tubes were very sore at this time, but I was completely cured by this remedy, and have since always turned to it when I got a cold, and soon find relief. I also recommend it to my friends and am glad to say it is the best of all cough medicines." For sale by G. A. Harding.

Southern California. Notable among the pleasures afforded by the Shasta Route is the winter trip to Southern California and Arizona. Renewed acquaintance with this section will ever develop fresh points of interest and added sources of enjoyment, under its sunny skies, in the variety of its industries, in its prolific vegetation and among its numberless resorts of mountain shore, valley and plain.

The two daily Shasta trains from Portland to California have been recently equipped with the most approved pattern of standard and tourist sleeping cars but the low rates of fare will still continue in effect.

Illustrated guides to the winter resorts of California and Arizona may be had on application to C. H. MARKHAM, G. P. A., Portland, Oregon.

Many a hard working young woman spends her noon hour in an endeavor to get a little rest to carry her through the remaining hours of the day. She is weak and weary, but she cannot give up the occupation which supports her. She must go back to the office and the typewriter, to the store and its duties, with tiresome customers to wait on and exacting employers to please.

For people who are weak and run down there is no medicine so valuable as Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. Many diseases in organs remote from the stomach have their origin in a diseased condition of the stomach and its allied organs. When the stomach is "weak" there is a failure to properly digest and assimilate the food which is eaten. Hence the whole body, and each organ of it, suffers from lack of nutrition, so that as a consequence of "weak" stomach, there may be "weak" lungs, "weak" heart, "weak" or torpid liver, "weak" nerves, etc. By curing diseases of the stomach and other organs of digestion and nutrition, "Golden Medical Discovery" enables the assimilation of the nutriment necessary for the requirements of a healthy body. It increases the activity of the blood-making glands, and so increases the supply of blood which is the vital fluid of the body.

There is no alcohol in the "Discovery" and it is entirely free from opium, cocaine, and all other narcotics.

Sick and ailing people especially those suffering from disease in its chronic form are invited to consult Dr. Pierce by letter free. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

There is no similar offer of free medical advice which has behind it an institute of national note such as the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., presided over by Dr. Pierce, its chief consulting physician, with the assistance of nearly a score of skilled specialists.

"The Wonderful Medicine." "I must again send a few lines to you to let you know how I am getting along since taking the wonderful medicine which cured me two years ago," writes Miss Bertha Ebel, of 1245 Benton street, St. Louis, Mo. "I still continue in very good health and think there is not a better medicine on earth than Dr. Pierce's Golden Medical Discovery. We would not be without it in the house, and also the little 'Pilllets'."

"I have recommended Dr. Pierce's Golden Medical Discovery to many friends, and they all think it will do just what is claimed for it. It is the best thing for nervousness and for a weak, run down condition that any body could want. I was very nervous and weak last summer. I took five bottles of Dr. Pierce's Golden Medical Discovery and it just made me feel like a new person. It gives a person new life and new blood. I can now work all day long without feeling the least bit tired. In fact I feel like a new person."

"My mother was also cured by it of a very bad state of stomach trouble about three years ago. I thank you a thousand times for what you have done for me and for your kind advice."

"Wanted to a Skeleton." "About six years ago my health failed," writes Miss Althea E. Green, of Coopersville, Hartford Co., Maryland. "I kept getting lower and lower, until I could scarcely walk across the floor without struggling and gasping for breath. My home physician pronounced it general debility and catarrh of the throat, but although he did all he could, he failed to even relieve me. I tried various remedies, but all of no avail. I soon gave up and went to a mere skeleton. Finally I was induced to write to Dr. R. V. Pierce, of Buffalo, N. Y., which I did immediately. And on receiving his very kind advice I commenced the use of his 'Golden Medical Discovery' and 'Favorite Prescription.' I took fourteen bottles of the 'Golden Medical Discovery' and nine of the 'Favorite Prescription' and today I am a well woman. I do heartily thank God and Dr. Pierce for my good health."
