Woodsmen

Know that in spite of hard work in the clear forest air the blood often becomes impure. The heavy food served in the lumber camps is to a great extent responsible for this condition of the blood, which renders the body an easy prey to many forms of disease.

There is no better blood purifier than Dr. Pierce's Golden Medical Discovery. It cures eruptions, pimples, eczema, scrofula, rheumatism, and other diseases caused by an impure condition of the blood. It cures absolutely and together by cleansing the blood from the poisons which breed and feed disease.

Accept no substitute for the "Discovery." There is no other medicine "just as good" for the blood. "I will forever thank you for advising me to take Dr. Pierce's Golden Medical Discovery," writes Mrs. James Murphy, of Ponds, Pocahontas Co., Iowa. "It has cured me of chronic scrofula of twelve years' standing. I also had chronic diarrhea for twelve years. I am in good health now—better than I ever was in my life, owing to Dr. Pierce's Golden Medical Discovery. I took several bottles of the 'Discovery' before I stopped."

Dr. Pierce's Common Sense Medical Adviser, containing 1000 pages, and over 700 illustrations, is sent free on receipt of stamps to defray expense of mailing only. Send 21 one-cent stamps for the book in paper cover, or 31 cents for the book in cloth binding. Address Dr. R. V. Pierce, Buffalo, N. Y.

Thousands Have Kidney Trouble and Don't Know It.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

Death of Mrs. Martha J. Shaw.

Mrs. Martha J. Shaw died Wednesday evening at the home of her son, E. L. Shaw, at the age of 74 years. Mrs. Shaw was one of Oregon's pioneers. She was born in Kentucky in 1827 and married to Jefferson R. Shaw in 1844. In 1852 Mr. and Mrs. Shaw came to Oregon and settled on a donation land claim near the mouth of the Tualatin river. Noted Musicians Coming.

Considerable interest is evinced in music circles by the announcement that Mrs. Lucille D'Alberti and Prof. Louis the English organist, will give a recital in the Congregational church Tuesday evening March 19. These artists are too well known to require extended notices, as they have appeared in prominent musical organizations both in this country and Europe. The programme will consist of classical and modern selections for the organ, together with vocal groups from oratorio and opera. Music-lovers are fortunate in having an opportunity to hear these celebrated musicians, and a full house will doubtless testify to their worth.

To the Enterprise: I desire to make a statement in regard to the accident that occurred on the evening of March 5. The Salvation Army was in no way to blame as the street was not blocked; neither had we been asked to move on. Yours truly, Envoy H. G. ALLEN, Acting Officer in charge.

A Convincing Answer.

"I hobbled into Mr. Blackmon's drug store one evening," says Wesley Nelson, of Hamilton, Ga., "and he asked me to try Chamberlain's Pain Balm for rheumatism with which I had suffered for a long time. I told him I had no faith in any medicine as they all failed. He said: 'Well if Chamberlain's Pain Balm does not help you, you need not pay for it.' I took a bottle of it home and used it according to the directions and in one week I was cured, and have not since been troubled with rheumatism." Sold by G. A. Harding.

For Young Men and Young Women.

There is nothing that will arouse the ire of a young man or woman so quick as to have inferior laundry work put off on them. They may dress ever so well, but if their shirt front or shirt waist is mussed their neat appearance is spoiled. The Troy Laundry makes a specialty of ladies' and gentlemen's fine work. There can be no better work than is done at the Troy. Leave your orders at Johnson's barber shop.

Getting Thin

is all right, if you are too fat; and all wrong, if too thin already. Fat, enough for your habit, is healthy; a little more, or less, is no great harm. Too fat, consult a doctor; too thin, persistently thin, no matter what cause, take Scott's Emulsion of Cod Liver Oil.

There are many causes of getting too thin; they all come under these two heads: over-work and under-digestion. Stop over-work, if you can; but, whether you can or not, take Scott's Emulsion of Cod Liver Oil, to balance yourself with your work. You can't live on it—true—but, by it, you can. There's a limit, however; you'll pay for it.

Scott's Emulsion of Cod Liver Oil is the readiest cure for "can't eat," unless it comes of your doing no work—you can't long be well and strong, without some sort of activity.

The genuine has this picture on it, take no other. If you have not tried it, send for free sample, its agreeable taste will surprise you. SCOTT & BOWNE Chemists, 409 Pearl Street, New York. 50c. and \$1.00; all druggists.
