Nebraska Lawmakers Unable to Make a Choice.

REPUBLICANS FAIL TO AGREE

Sensterial Battle Has Been Waged With Much Bitterness, Although a Final Agreement is Looked For.

LINCOLN, Neb., March 20.-Eighteen ballots were taken without a nomination at the republican long-term senatorial caucus tonight. The caucus, shortly before 11 o'clock, adjourned until tomorrow night. The final ballot was: Rosewater......32 | Currie............8 Meikiejohn.....15 |

The attendance varied from 50 to 55, the 14 members who remained out last night being again absent. The contest apparently has settled down to a test of strength between Edward Rosewater and George D. Meiklejohn, a devoted few clinging to State Senator Currie, who has not, however, the balance of power under the present rules, which requires 45 to nominate. The supporters of D. E. Thompson, nominated last night for the short term, are believed to be about equally divided between Rosewster and Meiklejohu.

D. E. Thompson failed of election by the joint session of the house and senate at noon today. The Wilkinson caucus, under the rules of which Mr. Thompson was nominated, adjourned this morning without nominating a candidate for the long term, thereby invalidating the nomination it had already made. Today's ballot, however, showed much change, Rosewater securing nearly twice the number of votes he has at any time polled, and Thompson reaching his high mark. The ballot was as follows:

Hitchcock ..... 14 Crounse, ..... Hinshaw 4 Currie ...... D. E. Thompson 56 Rosewater ..... 29

If They DoNot Meet the Miners There Will Be a Strike.

DEPENDS ON OPERATORS.

SCRANTON, Pa., March 18,-President John Mitchell, of the United Mineworkers of America, and District Presidents Nichols, Duffy and Faney, of the three anthracite districts of Pennsylvania, were in session here this afternoon to take up the question of a conference with the operators on the wage schedule. The present outlook is far from bright for a meeting of these interests, but another strike of the anthracite miners will not be declared unless the situation becomes such as absolutely to demand it. President Mitchell will remain in Scranton all week, and will have repeated conferences with the old lead-

President Mitchell stated tonight that if it became necessary to order a strike, the new law passed at the Indianapolis convention, regarding the consent of all the district presidents being necessary before a strike could be ordered, does not apply in this instance. He said it only applies to a general strike, and that the strike of the anthracite miners would be considered locat. Mr. Mitchell said it is probable that within the next few days he will go to New York in an endeavor to bring about a conference. In this connection he said:

"The matter is entirely in the hands of the board. They will exert every effort to bring about a meeting between the operators and men. If their efforts are unsuccessful, then the resolutions adopted at the convention will be carried out. After the meeting tomorrow we may have a statement to give out. Further than that I have nothing to say."

Wealthy Farmer Murdered.

OSKALOOSA, Ia., March 18 .- H. H. Drake, a bachelor farmer, was today found dead in his house, five miles north of Rose Hill, with five bullets in his body. Drake was wealthy and was known to have cash about the place. He had been dead three days or more.

To Curtail Production.

FALL RIVER, Mass., March 18 .- The Chase, Roberts, Merchants, American Linen and Metacomet cotton mills, operating 350,000 spindles, were stopped today in pursuance of the agreement to curtail production. It is probable that next week the majority of the mills in this city, including Laurel Lake mills, which had decided to close today, will be shut down.

Recent experiments show that all classes of foods may be completely digested by a preparation called Kodol Dyspepsia Cure, which absolutely digests what you eat. As it is the only combination of all the natural digestants ever devised the demand for it has become enormous. It has never failed to cure the very worst cases of indigestion and it always gives instant relief. G. A. Harding.

THE PRESIDENT'S TRIP.
