For Young Men and Young Women.
There is nothing that will arouse the ire of a young man or woman so quick as to have interior laundry work put off on them. They may dress ever so well, but if their shirt front or shirt waist is mussy their neat appearance is spoiled. The Troy Laundry makes a specialty of ladies' and gentlemen's fine work. There can be no better work than is done at the Troy. Leave your orders at Johnson's barber shop.

Pity and Beauty
The most beautiful thing in the world is the baby, all dimples and joy. The most pitiful thing is that same baby, thin and in pain. And the mother does not know that a little fat makes all the difference.
Dimples and joy have gone, and left hollows and fear; the fat, that was comfort and color and curve—all but pity and love—is gone.
The little one gets no fat from her food. There is something wrong—it is either her food or food-mill. She has had no fat for weeks; is living on what she had stored in that plump little body of hers; and that is gone. She is starving for fat; it is death, be quick!
Scott's Emulsion of Cod Liver Oil is the fat she can take; it will save her.
The genuine has this picture on it, take no other. If you have not tried it, send for free sample. Its agreeable taste will surprise you.
