Plans For Chautauqua Session  
Almost Completed.

**IMMENSE BARBECUE JULY 4**  
Transportation Facilities Unexcelled  
and Fares Are Low—Five  
Cents to Gladstone.

Plans for the session of the Willamette Valley Chautauqua Association are rapidly maturing and matters are assuming a shape where the association officers feel confident that the session will eclipse all previous ones. Transportation will be regular and the Southern Pacific company and the Portland City and Oregon Railway company are doing all in their power to aid the committee. Tickets on the Southern Pacific will be sold at 5 cents one way and 10 cents round trip. Coupon tickets will be sold in Portland by the City and Suburban Railway at 55 cents for the round trip including going and coming coupons for street car ride in Portland and this also includes admission to the grounds. This will accommodate people living in the suburbs of Portland. Round trip tickets from Portland to Gladstone and return, including admission will sell for 50 cents. Campers tickets will be sold from the park to Portland at 25 cents and to suburbs, including street car fare, at 30 cents, round trip. The Southern Pacific company will have a representative on the grounds throughout the meeting to keep in close touch with the situation there, so as to provide sufficient cars and keep matters in general running smoothly. Trains will leave the Chautauqua grounds for Portland and Oregon City at 10 p. m. after the exercises. The following schedule has been arranged by the Southern Pacific:

Leave Portland, a. m.—8:30, 9:30 and 11:30; p. m.—1:00, 2:45, 4:00, 6:30, 7:15 and 8:30.  
Leave Oregon City, a. m.—7:30, 9:22 and 10:30; p. m.—12:15, 1:45, 3:40, 5:30, 6:30, 7:15, 7:40, 8:00, 8:30 and 9:00.

Southern Pacific trains out of Portland will stop at the corner of the Congrega-tional church and at Green Point.

Four arc lights will illuminate the interior of the building and there will be six on the grounds, besides street lamps.

Several teams have entered in the baseball tournament, among them Oregon City and Chemawa. The cup to be awarded the winning team is a hand-some specimen of the silversmith's art and is a trophy well worth working for. A. C. Feldenheimer, of Portland, are manufacturing it and the cost will be \$75. The cup is solid silver and nothing approaching it in beauty of design or in value has ever been offered on this coast for a prize in baseball.

Promptly at noon on July fourth, the carving of the barbecue will begin. Hon. Richard Scott, of Milwaukee, has this feature in charge and he will be assisted by competent men. The barbecue will be a monster one and is free to every-body. Two large beavers will be fur-nished besides pork and mutton.

On the evening of July third, Chap-lain C. C. Bateman, 28th Infantry, U. S. Army, will lecture on "The Santiago Campaign." At 11 a. m. July 5, he will speak on "The Philippines, Their People, Products and Prospects." This lecture will be illustrated with a large cloth map 12x9 feet, showing the Pacific Coast line of both America and Asia, with respect to the Orient, Oceanic and Austral-Asia, with present and prospective cable lines. The population within one, two, three, four and five thousand miles of Manila, the distances in air line nautical miles from San Francisco, Portland and Seattle are all correctly shown.

Chaplain Bateman will return to the Philippines late in the summer and is studying every phase of the Philippine question and these are some of the ques-tions he will answer in his lecture:

What is the value of the oriental trade, present and prospective?  
How much in public improvement did Uncle Sam get for his cash payment of \$20,000,000?  
Why could we not have been content to hold Cavite and Manila and let every-thing else revert to the Spaniards, or go to other foreign claimants?  
Which side began the Tagal war?  
Did we ever promise to give the islands over to be governed by Aguinaldo and his followers?  
Are the natives capable of self govern-ment?  
Mrs. E. E. Williams, the well known and accomplished pianist of this city has been selected as the accompanist for the session.

**FONTELLAS WON.**  
Fifteen Errors Lost the Game for Ore-gon City Sunday Afternoon.

Company A. and the Fontellas crossed bats at Willamette Falls grounds Sun-day afternoon. This was the first game played on this field since it was enclosed. The plays were interesting until the sixth inning when Oregon City lost its grip and the visitors ran wild on the score card. At the end of the fifth in-ning the score was tied but after that Company A. made too many errors to hold the Portlanders down. Considerable enthusiasm was manifested and Hedges' home run was the signal for the rosters. As usual the batting of Hedges was a feature and Dick Parrot's catch in left field was a magnificent one. The attendance was 500. The boys are having bleachers put up and they will be ready for use next Sunday, when a game will be played with Stephens' Addition.

The players and their positions were:  
Oregon City ..... Fontellas  
Clark ..... C ..... Zan  
Belt ..... P ..... Fleming  
McFarland ..... 1 B ..... A. Parrot  
Hedges ..... 2 B ..... Fay  
Kelly ..... 3 B ..... Black  
Lavier ..... S ..... Schmeer  
Lee ..... R ..... Oliver  
Chapman ..... C F ..... Jacobs  
Church ..... L F ..... R. Parrot

The score:  
1 2 3 4 5 6 7 8 9  
Oregon City ..... 0 0 2 0 3 0 2 0 7  
Fontellas ..... 1 0 1 0 3 6 4 0 3—18  
Bases on balls, Belt, 3; Fleming, 3;  
Home run, Hedges; Wild pitches, Belt,  
2; Struck out, Belt 5, Fleming, 5; um-pire, Ed Reckner.

Sunday a game will be played with Stephens' Addition. Oregon City won the previous game by a score of 8 to 5. The home team will meet Vancouver on Willamette Falls field probably on the 16th of June, though this date may be changed to the 24th. Two excursions, one from McMinnville and one from Vancouver will be run to Oregon City to witness this game.

Sunday's Oregonian gave the Oregon City rosters a roast and referred to what was termed their disgraceful conduct in the game with Stephens'. Manager Whitehead, of the league, investigated the report and found that some outsider had gullied an Oregonian reporter. Mr. Whitehead regrets that such an article was published and states that the Fon-tellas were loud in their praise of the treatment they received here last Sun-day. Stephens' nine disclaim any re-sponsibility for the article and have no complaint to make. Manager White-head will endeavor to set the matter right in next Sunday's Oregonian.

It is rumored that Schmeer, the crack shortstop of the Fontellas, will be signed by Spokane for the remainder of the season. Schmeer is one of the best men in his position on the coast.

**SCORED A POINT.**  
Oregon City & Southern Railway Gets First Blood.

**IT CAN CONDEMN CROSSINGS.**  
Only a Partial Victory and Question As to the Nature of the Crossing Is Still Open.

Circuit Judge McBride handed down his decision in the case of the Oregon and California and Southern Pacific rail-road companies against the Oregon City and Southern Railway Company, Mon-day. The decision says that the railway company should be recognized as a commercial railway line and was capable of condemning crossings. The court held, as to the Ganong injunction suit, while the Board of County Commission-ers may have erred in giving the railway company a county thoroughfare for its use, he would not dissolve the injunction till the line widens the roadway in a certain place.

This is a victory for the railway company but only a partial one. Tomorrow the case will be argued as to where they will cross, whether it will be grade, over head, or some other kind of crossing. The damages as to the case will also be argued on a *stipula v.*

**TEACHERS ELECTED.**  
Assignments Made to the Various Grades—Some Salaries Increased.

The Board of Directors of the Oregon City school held a meeting last Friday in the office of Clerk Williams. Chairman Charles Albright and Directors C. H. Canfield and W. E. Carl were present. The report of Superintendent Wilcox for May was read. It shows an average daily attendance of 476 out of the 569 enrolled, of which 267 are boys and 242 girls. Teachers were elected for the coming year. The only change made was the election of Miss R. T. Smith, of Independence, to succeed Prof. W. F. Mathews as principal of the Eastham school. Prof. H. D. Wilcox was re-elected city superintendent and assigned the teachers as follows. The monthly salaries are also given:

A special meeting of the board will be held June 15.

**BLOCKED A CROSSING.**  
And Now Conductor Maddox Is Fighting Shy of the Officers.

Conductor Maddox, of the Southern Pacific railroad is under the ban of the city authorities and there is a little matter he must explain to their satisfac-tion before he can smile on Oregon City.

Saturday evening at 6:15, freight train No. 226 reached here from the south and spent considerable time side-tracking. When 226 pulled out for Portland several box cars were left on a siding immediately fronting fifth street, effectively blocking the crossing and compelling people to walk around the cars unless they crawled under them or climbed over them.

The eagle eye of Chief of Police Burns saw all this and he notified the com-pany's agent that when Conductor Mad-dox next passed through he would be arrested on the charge of obstructing a crossing. The agent wired to the super-intendent, who called Maddox down and probably laid him off.

Maddox is keeping away from Oregon City and thereby delaying the stroke. "I can wait," said Chief Burns yesterday "but that warrant hangs over his head and I'll get him if I have to wait six months."
