HIG REAL ESTATE DEAL.—Monday afternoon a deed was filed in the office of County Recorder Randall transferring for consideration of \$7,500 the donation land claim of J. D. Jordan to M. A. Shaw, of Portland. The property comprises 620 acres and is situated near Molalla. Mr. Shaw at once sold 480 acres of the property to Anthony Moore for \$5,000.

The delegates from St. Paul's are: George A. Harding, Francis Freeman and John R. Humphry; alternates, H. L. Kelly, H. M. Templeton and W. B. Stafford.

WILLSBURG INSTITUTE.—There was a large attendance at the joint meeting of Clackamas and Multnomah teachers at Willsburg Saturday and the institute was successful in every particular. Principal H. F. Allen, of the Willsburg school, delivered the address of welcome, which was responded to by Clackamas County Superintendent J. C. Zinser. Miss Harding sang at the opening of the afternoon session.

JULY 4TH AT DAMASCUS.—Damascus Camp No. 7533, Modern Woodmen of America, will have a big celebration July 4, in Kimbly's Park. There will be a parade in the morning. Mrs. William Bachman will read the Declaration of Independence and Hon. Geo. C. Brownell will deliver the oration. After dinner United States Senator John H. Mitchell will make an address and dancing will follow. There will be many races and a grand cake walk. Music will be furnished by the Parkplace band. The committee on arrangements are: A. W. Cooke, W. N. Chicote, J. Bates, R. C. Heiser and J. F. Weise.

SHERIFF TO COLLECT BIKE TAX.—The Board of County Commissioners declared the bicycle tax delinquent Monday afternoon and ordered the sheriff to collect \$1 on all wheels on which the tax has not been paid, and to confiscate and sell all wheels evading the tax in the same manner as in the collection of delinquent taxes on other property. Sheriff Cooke will deputize a man to patrol the Oregon City-Portland bicycle path to collect on all unlicensed wheels. Last year 1200 bicycles were licensed and this year there should be at least 1500. Nearly 250 persons have taken out licenses to date.

MACCABEE CELEBRATION.—Tualatin Tent, No. 74, Knights of the Maccabees, will give a grand celebration at Wright's spring on July 4. Hon. Geo. C. Brownell and Henry St. Rayner, of Portland, will make addresses, the latter being orator of the day. Mr. St. Rayner achieved an enviable reputation as a lawyer in the defense of McDaniel, the murderer of Clara Fitch in Cycle Park two years ago. Senator Brownell will speak in the evening. There will be dancing, horse races and other races for which prizes will be given. Refreshments will be served on the grounds. An enjoyable time is anticipated. The Maccabees met last evening and elected officers, besides appointing committees for the supervision of the celebration.

FORTY SMALLPOX CASES.—The Portland papers are keeping very quiet about the prevalence of smallpox in that city but it is no secret to the people. Up to last Sunday over forty cases had been reported, all of a mild form, and termed varioloid by some physicians. Ten clerks in a leading department store were infected and were not aware of it until examined by a doctor. On the car line running south eight flags were counted. In the drug store windows are signs announcing that fresh vaccine is received daily and half the population of Portland are nursing sore arms.

NEW WOODMEN HALL.—Willamette Falls Camp, No. 148, Woodmen of the World, elected the following officers at the semi-annual election: C. C. S. S. Scripture; A. L. R. L. Holman; manager, George Howard; escort, G. H. Hall; sentry, C. W. Gosler; musician, Rev. E. S. Bollinger. The camp has contracted for the use of the upper story in the new Stevens building, soon to be constructed on the property adjoining the Methodist church, and the hall will be planned according to their designs. The main hall will be 50x65 feet and in addition to this ante-room, property room, dining hall and kitchen are to be added.

TEACHER RESIGNS.—A letter was received by the school board Monday morning from Miss Harriet Bray, who was recently re-elected as teacher in the Barclay school, tending her resignation. No reason was assigned. Miss Bray is spending the summer vacation with her mother in Seattle and it is supposed has secured a position nearer home. The board at once held a meeting and elected Miss Eva Meldrum, a daughter of John Meldrum, who lives a few miles north of town on the car line, to fill the vacancy. It is not likely that Miss Meldrum will be assigned to the same grade that Miss Bray taught last year and some transfers may be made.

TO ADVERTISE THE COUNTY.—County Judge Thomas F. Ryan, W. A. Huntley and O. W. Eastham, the committee appointed by the Board of Trade to secure subscriptions for the printing of 10,000 forty page pamphlets showing the resources and industries of Clackamas county are meeting with very good success. They sent letters to leading men in various sections of the county asking their aid in securing the desired funds. Tuesday letters were received, from Barlow, stating that \$30 had been subscribed there, and \$25 from the farming community of West Oregon City. The committee is greatly encouraged by the live spirit in which their efforts are being met.

DRINKING FOUNTAIN ON MAIN STREET.—The Clackamas County Humane Society met Monday evening and discussed the matter of establishing a drinking fountain on Main street. At present the only public convenience is a watering trough in front of Young's livery stable. It has been the custom of the society for some years past to give prizes to public school pupils for the best essays on humane subjects but this year it was decided to reserve the fund, heretofore used for this purpose, and utilize it to assist in defraying the expense of putting up a cast iron fountain, to cost in the neighborhood of \$100. Other matters were also talked over, among them being the cruelty to horses by over-loading of wagons. The officers of the society are: Miss Anita McCarty, president; George A. Harding, vice-president; Rev. A. J. Montgomery, secretary; E. G. Canfield, treasurer.

ARTISANS ELECT OFFICERS.—The United Artisans held a meeting last Thursday evening and elected officers for the ensuing six months: Master Artisan, R. J. Goodfellow; Superintendent, M. N. Bacon's division and the losing side, captained by Miss Pearl Curran are up against it for an ice cream supper. State Organizer E. F. Kennedy, of Washington, gave an interesting talk on the work of the Artisans of this state. Oregon City Assembly No. 7 is the largest assembly in Oregon, having over 200 members on its list.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO. Toledo, O. Sold by druggists, 75c. Hall's Family Pills are the best.

Dyspepsia cannot be long lived because to live requires nourishment. Food is not nourishing until it is digested. A disordered stomach cannot digest food, it must have assistance. KODOL Dyspepsia Cure digests all kinds of food without aid from the stomach, allowing it to rest and regain its natural functions. Its elements are exactly the same as the natural digestive fluids and it simply can't help but do you good. Geo. A. Harding.
